

Dated, the Shimla-02 31/12/015

From: CF Shimla

To: DFO Rohroo

Subject: Diversion of 14.5510 ha of forest land for the construction of 132 KV D/C Transmission Line Tangnu-Romai HEP to 66/132/220 KV Pooling Station Sunda (Chirgaon) Tehsil Chirgaon District Shimla, HP within the jurisdiction of Rohroo Forest Division, Distt. Shimla, Himachal Pradesh.

Memo:

Please refer to your office memo. No. 15448/CF dated 27.11.2015 on the subject cited above.

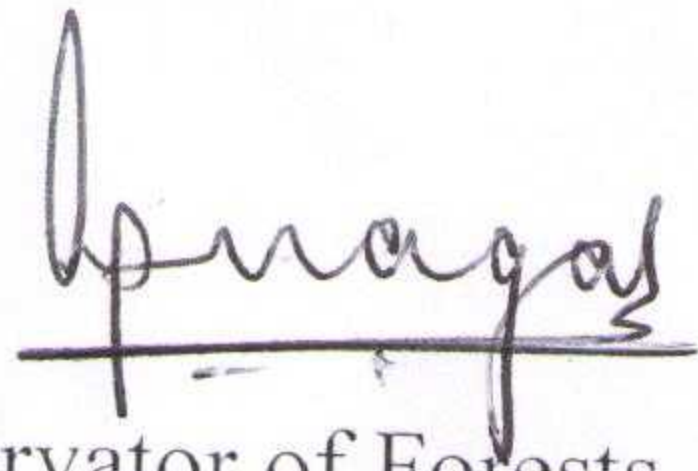

From the perusal of above quoted reference following shortcomings has been noticed:-

1. You were asked vide this office of even endst. No. 8069 dated 08.10.2015 to submit as well as to upload the legible copy of SOI Toposheet clearly showing the alignment of transmission line. But from the perusal of same it is found that nothing has been done in this regard by you & have just uploaded the copies of the previous report again. Please attend the same as per requirement.
2. Digital map of proposed area for diversion uploaded by you is not legible. Please upload the legible copy of the same.
3. Again, *w.r.t* this point nothing has been done as required, except uploading the copy of previous report. This Please be seen again.
4. Copy of SoI Toposheet indicating the boundary of the area proposed for CA is not legible. Please upload the legible copy of the same in its appropriate Colum.
5. *W.r.t.* point No. 5 you have submitted that the site inspection has been done twice i.e. 22.02.2014 & 16.06.2015 and further submitted that 19.12.2014 is document signing date. In this regard it is not understood that site inspection conducted on 16.06.2015 can how could be signed on 19.12.2014. Please see to it and a revised report explaining reasons be submitted.

P.T.O.

In addition to above, you have not submitted the hard copy of the reply of observations. You are, requested, to please submit the hard copy of the reply alongwith enclosures in triplicate and also note this requirement for future.

A handwritten signature in black ink, appearing to read 'P. Nagal', written over a horizontal line.
