 - 2) Deputy Director, Srivilliputtur - Megamalai Tiger Reserve, Srivilliputtur C.No. 2376/2018 Dated: 01.07.2021
 - 3) Forest Range officer, Saptur C.No. 28/2022 dated: 21.07.2021
 - 4) Conservator of Forests and Field Director, Srivilliputtur - Megamalai Tiger Reserve, Madurai C.No. 6099/2022/D1 Dated: 27.10.22.

I wish to state that the user agency is requested to rectify the following shortcomings for further processing of the proposal.

1. Total length proposed for laying OFC is 6.23km, of which 5 km passes through Madurai District (4.30km passes through Sanctuary area and 0.70 km passes through Non- Sanctuary area of Srivilliputhur Megamalai Tiger Reserve, Srivilliputhur and remaining (6.23 - 5.00) 1.23km passes through Theni District, which falls under the jurisdiction of Deputy Director, Srivilliputhur Megamalai Tiger Reserve, Megamalai. However, it is mentioned in the proposal that project falls only under Srivilliputhur Wildlife Sanctuary of Madurai District.
2. Hence, user agency should properly mention the Division wise and district wise details of the land requirement. In addition user agency should also give proper breakup of land requirement for project under protected areas, non-protected area, eco-sensitive zone and revenue areas (in Ha).
3. User agency should also update the project in full shape mentioning the beginning and end of the project along with different components of the project like erection of tower, laying of OFC etc.

4. All the components of the project, division and district wise, area under protected/ non-protected area, eco-sensitive zone and revenue land should be delineated on the Survey of India toposheet map/ google map/ georeferenced map and update in portal.

Hence user agency is requested to make necessary correction in Part I and upload the above mentioned details in parivesh portal and submit hard copy to this office on working days.
