శ్రీ య.మధుసూధన రెడ్డి

It is informed that, as per para 7.8 of the Chapter-7 of comprehensive guidelines issued by Government of India, MoEF&CC, New Delhi in F.no. dt. 28.03.2019, whenever a proposal for fresh mining is submitted, a brief profile of the lessee/company should be submitted giving details of their existing mining leases in the State with their capacity of production, the present level of average annual production, location of these pits and the status of reclamation of forest land that are exhausted minerals.

The report of the DFO, Chittoor (erstwhile Chittoor East) in the reference 2nd cited informing that there is no role of DFO in giving remarks on the information called for by in reference 1st cited in view of report submitted by DMG, AP is sufficient, is not correct. The DFO, Chittoor has to comment whether the user agency has taken up the reclamation of mined out area concurrent to mining in the forest area by inspecting the field.

Hence, the CCF is requested to issue instructions to the DFO , Chittoor to inspect the field and inform about the status of reclamation of mined out area in existing lease of M/s.Sri Sai Sonu Granites (i.e.,**diversion of 4.90 ha of forest land in Compartment no.456 of BasaviaplliExtn.RF of Chittoor East Range, Chittoor East WL Division for extraction of black granite**). **If reclamation is not done by the agency, the reasons should be submitted to this office**, for further processing of the subject proposal under the Forest (Conservation) Act, 1980.
