

The reply through online portal submitted by the State Govt. with reference to this office EDS dt 23.09.2016. Following shortcomings are found in the reply:

1. In reply to point no. 3, component wise break up is still not correct.
2. In reply to point no. 4, geo coordinate are shown at only 4 points however, muck disposal shown at 20 point which seems incorrect at para C(iv) in Part-I.
3. In reply to point no. 7, VLC proceedings date of other two villages submitted now are after DM certificate which is not acceptable.
4. In reply to point no. 12, as per the information regarding tree enumeration in hard copy of the proposal out of 964 trees 737 trees are below diameter 0-10 cm therefore the trees proposed to be felled are 230 but the entry of 255 trees are made in online Part-II, which may be corrected accordingly.
5. State Govt. is also requested to submit the Original hard copy of the revised document.
