

Following shortcomings are found in the fresh proposal:

1. In place of justification of locating the project in forest land still benefit of road uploaded in Part-I. The State Govt. may upload revised justification in the designated column.
2. Correction made in the NPV calculation sheet uploaded in Part-I and provided in hard copy but the same is not counter signed. Please provide fresh copy.
3. NIL mentioned in muck disposal plan. May clarify the same.
4. Six no. of villages are mentioned to be benefited by parking which is not understood.
5. In place of administrative approval, copy of sanction order uploaded.
