●	1- On 14th November 2022, when joint site inspection was undertaken with user agency. It has come to knowledge that there was forest land which was not included in user agency's proposal but they need the forest land in the given project. So, at site only, they have been told to include the left out above mentioned forest area in the proposal and revisit their proposal again to confirm that all forest lands which will be used in project must be there in the proposal for diversion	03/12/2022	(./writereaddata/eds_UA/)	User Agency
