

No.D-V/594/G/ 5588  
HP Forest Department

Dated Chamba, the 8/12/2021

**From: Chief Conservator of Forests, Chamba-176 310. To DFO Pangi (By Name)**

**Sub: Diversion of 211.8427 hectare of forest land for the construction of Dugar 500 MW Hydro Electric Project in favour of NHPC, within jurisdiction of Pangi Forest Division, District Chamba.**

Memo.

Please refer to your office Endst. No. 2754 dated 16.11.2021 on the subject cited above.

2. It is so strange to notice that CA Scheme is being revised by the User Agency and the case too without verifying the checklists & documents placed in the proposal folder is forwarded to this office by simply endorsement (to the reply submitted by User Agency). Please clarify, was this to be done by user Agency or DFO? If DFO is not giving inputs in CA Schemes then ~~what~~ technical angle is being looked in by you? Please Explain.

Hence you are directed to re-check the proposal online and in hard copy personally in view of FCA-1980 guidelines thoroughly and submit independent reply to the observations as raised vide this office memo No. D-V-594/G/4351 dated 19.10.2021, and don't repeat such superfluous practice in future. The requirement in similar cases be noted for future compliance please.
