Route Map of network falling in Saran districts has been prepared on Topo sheet on scale of 1:50000 and is attached as **Annexure-II**. Geo-reference map of natural gas network is attached as **annexure-III**.

Accordingly application has been made online on Parivesh portal by uploading requisite details. (Copy of application attached as **Annexure-IV**)

Being a City Gas Distribution Project, the natural gas pipeline network will connect major demand centers in city for domestic connection and to CNG retail outlets in the City Gas Natural Gas Pipelines has to be laid along the roads in the city. The network is starting from City Gate station and has to reach the city via shortest routes along the roads. In this particular case as roads are notified and also proposed pipeline is falling in that route. Various section of pipeline comes under protected forest in Saran, the said proposal is required to be applied for. There is no other alternative to this section in city for reaching the city and residential colonies.

Vide Gazette No SO3728(E) dated 17.10.2019, this City Gas network natural gas pipeline has been declared as public utility service. (**Attached as Annexure-V**)

The proposed application is being sought under section 4.2 of chapter 4 – “General Approval under Section 2(ii) of FCA – Critical Public & Strategic Defence Infrastructure”. This is subject to condition of no tree felling is involved for the proposed work. (**Attached as Annexure-VI**)

The proposed Gas pipeline shall be laid as per the standards/procedures recommended by Petroleum & natural Gas Regulatory Board (PNGRB) without causing any traffic disruption & inconvenience to public at large. As the project is in public interest and beneficial to environment and citizens of all the three districts at large, we request for your kind support and request you to kindly grant us FC laying Natural Gas Pipeline under City Gas Distribution Project, Saran.
