Dear Sir,

Our Project name is Oakswood. In this Project we want to construct a residence colony. This colony will be located at Survey No: 356, Nr. Vrti, Bhuj-Mandvi Highway, Village: Maska, Ta: Bhuj, Dist: Kutch. For this colony we want to construct an approach road for inlet and outlet access and Laying Pipe Culvert for the Drainage of water. For this work we will use barest minimum land of Protected Forest land.

Here we are submitting the FCA proposal in 35 Annexures six copies for permission to constructing approach road for outlet and inlet access to connect Main road (Bhuj-Mandvi road) in favour of OAKSWOOD.

Thanking you.

Your Faithfully
