Kasaba Lift Irrigation scheme envisages constructing a barrage across Kumadvathi river near Kalenahalli village and lifting water on upstream of barrage near Kalenahalli Village in Shikaripura Taluk, Shivamogga District to Delivery Chamber and further by Gravity Pipe distribution network for providing irrigation facility to 3,430 Ha of command area in Shikaripura and Soraba taluks of Shivamogga district. It is proposed to lift the water from June to October for five months. The lift scheme is designed to lift the water for 0.429 TMC, i.e., for 153 days. The total utilization planned under the scheme is 0.429 TMC. The project is benefitting 14 villages in Shikaripura Taluk and 3 villages in Soraba Taluk of Shivamogga District. The project also envisages filling 32 Tanks in Shikaripura Taluk and 9 Tanks in Soraba Taluk of Shivamogga District. Vide letter cited in Ref (1), the Administrative Approval has been accorded to the project for implementation.

A total of 4.966 Ha forest land is required for the scheme for construction of Delivery Chamber, Rising Main and Gravity Feeder Canals in Sagara Forest Division. Hence, the project attracts provisions of Forest (Conservation) Act, 1980 and requires approval from MoEF&CC for diversion of the aforementioned forest land. An application for diversion of forest land was submitted through Parivesh portal (Ref-2) and vide reference cited above PCCF and Nodal Officer (FCA-1980), Karnataka Forest Department accepted the online application and informed to submit the Hard Copy of the application to the concerned DCF for onward recommendation.

In view of the above, Application for diversion of forest land along with necessary annexures are herewith enclosed for your kind perusal and onward recommendation of the proposal through proper channel.
