**Madam,**

This is with reference to the above proposal on the subject. The reply to the observations is given as under:-

Sr.No.	Content of EDS	Reply
1.	In compliance of condition No. (ii) of Stage-1 approval, the State Government shall submit an undertaking that Compensatory afforestation over non-forest land in Compartment No: Uri-Kalgai, Khasra No. 184,203,488 of Revenue land (NFL), Range Uri, JV Forest Division, Baramulla (9.30 ha) and in Compartment No: Uri-Kalgai, Khasra No 184,203,488 of Revenue land (NFL), Range Uri, JV Forest Division, Baramulla (10 ha), shall be initiated by the State Forest Department at the project cost within two years from the date of grant of Stage- II approval.	The Divisional Forest Officer J.V. Forest Division has undertake to initiate compensatory afforestation at project cost within two years from date of Stage-II approval. The CA scheme shall be executed strictly as per approved plan and CAMPA norms.
2.	In compliance of condition No. (vi) of Stage-1 approval, the State Government shall upload the KML file of diverted forest land on e-green watch portal.	The Divisional Forest Officer has intimated that KML file of the diverted forest land has been uploaded on the e-Green Watch Portal.
3.	In compliance with Condition No. (vii) of the Stage-I approval, the User Agency has deposited an amount of Rs. 1,16,65,485/- towards Net Present Value (NPV). However, as per Part-II of the proposal, the density of	The present proposal pertains to underground hydroelectric works, the Net Present Value has been assessed at 50% of the applicable

Dated 03/03/2026

Subject: Compliance Report in respect of MoEF&CC Observations – Proposal No. FP/JK/HYD/144277/2021 (NHPC URI-I Stage-II HE Project) – Reg.

Sir,

Kind reference is invited to communication issued by the Ministry of Environment, Forest & Climate Change (Forest Conservation Division), File No. 9-JKC-032/2023-Jammu, regarding compliance observations under Stage-I approval for diversion of 17.00 hectares of forest land in favour of NHPC URI-I Stage-II HE Project, District Baramulla.

In this regard, point-wise compliance from this Division is submitted as under:

**1. Compliance of Condition No. (ii) – Compensatory Afforestation (CA)**

The Compensatory Afforestation land identified in:

- Compartment: Uri-Kalgai
- Khasra Nos.: 184, 203, 488
- Area: 9.30 ha and 10.00 ha (Total 19.30 ha NFL)
- Range: Uri, JV Forest Division

has been verified. The land is free from encumbrances and suitable for raising CA plantation. The undertaking to initiate Compensatory Afforestation at project cost within two years from date of Stage-II approval is hereby reaffirmed. The CA scheme shall be executed strictly as per approved plan and CAMPA norms.

**2. Compliance of Condition No. (vi) – Uploading of KML File**

The KML file of the diverted 17.00 hectares of forest land has been prepared in the prescribed format and verified with reference to approved diversion maps, compartment records and working plan documents. The same shall be uploaded on the e-Green Watch / PARIVESH portal through proper channel as required.

**3. Compliance of Condition No. (vii) – Net Present Value (NPV)**

The vegetation density of the diverted forest land is 0.7, categorizing the area under Eco-Class VI (Very Dense Forest).

The applicable NPV rate for Eco-Class VI is:  
₹ 15,16,230 per hectare

Total NPV at normal rate for 17 hectares:  
₹ 15,16,230 × 17 = ₹ 2,57,75,910

However, in accordance with the directions issued vide Office of the Conservator of Forests, Kashmir North Circle, Sopore No. FD/CFN/2022-23/FCA/317-19 dated 19.05.2023, and considering that the present proposal pertains to underground hydroelectric works involving predominantly sub-surface construction with limited surface disturbance, the Net Present Value has been assessed at 50% of the applicable normal rate, consistent with prevailing MoEF&CC guidelines governing concessional levy of NPV for underground infrastructure projects.

Accordingly:

NPV payable @ 50% rate = ₹ 1,28,87,955

Amount already deposited by User Agency (NHPC):  
₹ 1,16,65,485

Balance amount payable:  
₹ 12,22,470

The User Agency has been intimated to deposit the remaining balance amount of ₹ 12,22,470 in the CAMPA account at the earliest. Proof of deposit shall be submitted immediately upon receipt.

#### 4. Field Verification

The diverted forest land has been physically verified with reference to approved boundaries, compartment history, and working plan prescriptions. No deviation from the proposal boundaries has been observed at Division level.

#### 5. Undertaking

This Division undertakes to ensure:

- Strict compliance of all Stage-I and Stage-II conditions.
- Timely execution of Compensatory Afforestation.
- Monitoring under CAMPA guidelines.
- Submission of compliance reports as required by competent authority.

In view of the above, the compliance may kindly be examined and forwarded to the competent authority for further necessary action.

Yours faithfully,

**Subject:** Proposal for seeking prior approval of the Central Government under Section 2 (i) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 in favour of NHPC URI-STAGE-II, Baramulla, Jammu & Kashmir for non-forestry use of 17.00 ha of forest land for underground work of URI-I Stage II HE Project, District Baramulla, UT of Jammu & Kashmir (Online Proposal No. FP/JK/HYD/144277/2021) – regarding.

Sir,

With reference to the observations conveyed in the above cited matter, the point-wise compliance from this office is submitted as under:

S.No	Observation	Reply
(i)	In compliance of Condition No. (ii) of Stage-I approval, the State Government shall submit an undertaking that Compensatory Afforestation over non-forest land in Compartment No. Uri-Kalgai, Khasra No. 184, 203, 488 of Revenue land (NFL), Range Uri, JV Forest Division, Baramulla (9.30 ha), and Compartment No. Uri-Kalgai, Khasra No. 184, 203, 488 of Revenue land (NFL), Range Uri, JV Forest Division, Baramulla (10 ha), shall be initiated by the State Forest Department at the project cost within two years from the date of grant of Stage-II approval.	The same is noted and shall be followed strictly from this end. Necessary action as required under the stipulated conditions will be ensured within the prescribed timeframe.
(ii)	In compliance of Condition No. (vi) of Stage-I approval, the State Government shall upload the KML file of diverted forest land on the e-Green Watch portal.	The KML file of the diverted forest land has been uploaded on the e-Green Watch portal.
(iii)	In compliance with Condition No. (vii) of the Stage-I approval, the User Agency has deposited an amount of Rs. 1,16,65,485/- towards Net Present Value (NPV). However, as per Part-II of the proposal, the density of vegetation of the diverted forest land is 0.7, falling under Eco-Class VI (Very Dense). The applicable NPV rate for Eco-Class VI is Rs. 15,16,230/- per hectare. Accordingly, the total NPV payable for 17 hectares of diverted forest land is calculated as under: $Rs. 15,16,230 \times 17 = Rs. 2,57,75,910/-$ Therefore, after adjusting the amount already deposited, the balance amount payable by the User Agency is: $Rs. 2,57,75,910 - Rs. 1,16,65,485 = Rs. 1,41,10,425/-$ Hence, the User Agency is required to deposit the remaining amount of Rs. 1,41,10,425/- in the CAMPA account.	It is submitted that the diverted forest land falls under Moderately Dense Forest category as per the assessed vegetation density.

This is submitted for favour of information and further necessary action please.

Yours faithfully,

Divisional Forest Officer,  
J.V. Forest Division,  
Baramulla.
