To,

The Additional Chief Secretary to Government Forest, Environment and Ecology Department M.S. Building, Bengaluru - 560 001

Sir,

**Sub:** Diversion of 0.9896 Ha of forest land in Kagal village F.Sy No. 130A, Kumta Taluk, Uttara Kannada District (Honnavar Forest Division) for construction of Asphalted Approach Road to the proposed Resort (in Patta land) in favour of M/s Biogen Wellness Private Ltd, Beerkodi, Kagal village, Kumta Taluk, Uttara Kannada District

Proposal No. FP/KA/Approach/36720/2018

**Ref:** Government of Karnataka letter No. FEE 42 FLL 2023 (e) dated 25-07-2024 [GOK EDS Query]

With reference to the above proposal seeking Stage-I approval submitted by this office to the Government of Karnataka, the State Government vide Ref has raised an EDS Query.

It is submitted that out of 603 trees, Acacia constitutes 527 trees. Acacia is an exotic tree species. Hence removal of exotic tree species does not significantly affect biodiversity of the area.

It is further submitted that 493 trees (462 Acacia and rest others) are below 30 cm girth. These are actually very thin poles.

Hence the proposal is recommended.

Yours Faithfully
