4	<p>DCF, West Nashik has mentioned in his certificate that the proposed site is barest minimum and is most suitable from Technical, Economical and from Forest point of view. In this regard, comparative statement viz. activities to be carried out depth of cutting, amount of muck generating and its disposal shall be submitted.</p>	<p>The compliance report is separately attached as Annexure- 8</p>	<p>Page No 53</p>

5	DCF, West Nashik has mentioned in his Part-II that in the joint inspection report it is mention that, alternative land with minimal diversion of forest area is available if the diversion canal is made through Gut No. 194 and Gut No. 196. This option would not only reduce the total area needed for diversion (Forest or otherwise), but also reduces the total project cost. However, the alignment will run through Nanashi village. The Local MLA, on behalf of villagers, has requested to not divert the land for the said project. Comments from State Government in this regard is required.	The alternative land with minimal diversion of forest area through tunnel was available if the diversion canal was made through Gut No. 194 and Gut No. 196. However, as the alignment runs through Nanashi village, to avoid the damage to houses and buildings and to avoid the financial loss and loss of life it is rejected. It is rejected from technical and financial point of view. The Local MLA also, on behalf of villagers has requested not to construct the alignment through Nanashi village. Annexure-9	Page No 54-55
6	Details of alternative alignments explored, Justification for selecting the proposed alternative and reasons for discarding other alternatives is not submitted.	There is no alternative available except the proposed alignment as the canal is gravity canal. Justification for locating the proposed alignment is attached herewith. Annexure- 10	Page No 56
7	Cross sectional map of the canal is not submitted along with the proposal. The same needs to be submitted.	Cross sectional map of the canal is attached herewith. Annexure- 11	Page No 57-59
