Site Inspection Report

The proposal for development of DPDU drilling site is located inside Doyang reserved forest under Golaghat division. It was inspected by the undersigned along with the DFC Golaghat division and User Agency on 10-03-2022.

The proposed diversion area is 2.75 Ha. During my inspection to the site it was observed that the proposed area is devoid of any forest cover. There are people in the vicinity who apparently practice agriculture in the said area. The proposed site is neither a part of any protected area nor falls in the eco-sensitive zone of any wildlife sanctuary within Assam.

The proposal is a non-linear project. The project aims to develop and drill new oil and gas well(s) as per the proposal within the boundary of this area.
