आन लाइन प्रस्ताव सं0-एफ0पी0/यू0पी0/अन्य/16134/2015

S.N.	Question	Answer
1	The proposal for diversion of forest land is for approach road (entry/exit) to retail outlet whereas the title mentions establishment of retail outlet which is incorrect.	According to user agency The outlet – inlet is right. According to their standard which are established on the spot .user agency report has attached (Enclosure 1)
2	The information provided in part I at A-1 (ix) regarding Non forest land is incorrect.	Non-protected area 0.1225 hectare in part-1 of proposition A-1 of the proposal has been modified in the proposal.
3	Information regarding non forest land in part 1 at B-2 is incorrect.	The non-protected area has been modified to 0.1225 hectare in part B-2 of the proposal.
4	As per kml file of proposed forest land for diversion shows construction whereas part II of the proposal states “no violation of FCA 1980” this contradiction needs clarification as per actual field condition.	In the plot of the proposed petrol pump, construction work was done in 35x35 meter GaTA NO 547, no construction work has been done in the protected forest land in front of the plot in protected forest area which did not violate the forest conservation act 1980
5	Various documents of the proposal are without name, date & seal of the signing authorities.	The signature stamp and date has been marked on every page by the agency used in the proposal .
6	Geo coordinates of all key points (especially area defining curved boundaries) of proposed forest land for diversion has not been provided and the same needs submission.	Geo coordinates of proposed petrol pump and GPS location of all key points are attached (Enclosure 2)
7	Certificate issued by Dm under FRA 2006 does not address issues of forest rights of other forest dwelling communities etc and it refers only to Scheduled tribe population as per census 2011. The language of certificate needs modification as per the provisions of FRA 2006.	Under the forest rights act 2006, no objection certificates are to be sent in the proposal for duly approval.
8	Kml files provided in CD cannot be accessed therefore, a fresh CD with kml files of proposed forest land diversion and proposed compensatory afforestation need submission.	Prepared the CD of the KML file is enclosed (Enclosure 3)

कमश:-2

9	As per land schedule, the calculation is based on 19.36 mts width of strip but as per approved layout plan the same strip width is shown as 18.86 mts (duly accounting for carriage way width and shoulder.) This issue needs clarification.	The calculation of the proposed site is 19.36 meters. After the road widening ,the land in front of the layout plan' inlet outlet is displayed 18.86 meters ,which is incorrect according to the spot ' according to the clear inquiry report' the enclosed enclosure in the map (Enclosure 4)
10	Approved layout plan of the retail outlet has not been uploaded with the proposal.	Approved layout plan uploaded.
11	Land suitability certificate and other mandatory certificates like van swaroop Land, distance from PA etc have not been uploaded whith the proposal.	Forest format area is empty in deoria forest division. Usefulness certificate of side for damage plantation. (Enclosure 5)
12	Correct part IV and V have not been uploaded with the proposal.	Part 4 and 5 are to be uploaded online by chief forest officer /nodal officer form uttar Pradesh ,Lucknow and government level
