No. Desk-17/FCA-S1/PID-145510/Yavatmal/ 784  
Nagpur – 440 001, Dated 01/07/2024

To,  
The Assistant Inspector General of Forests,  
Ministry of Environment, Forest and Climate Change,  
(Forest Conservation Division)  
Indira Paryavaran Bhawan, Jor Bagh Road,  
New Delhi-110003.

Sub :- Diversion of 146.996 ha. forest land for Integrated Coal Mining including post mine reclamation in Marki-Mangli II coal block in Yavatmal District of Maharashtra State in favour of M/s Yazdani International Private Limited (Online No. FP/MH/MIN/145510/2021) – reg.

Ref :- 1. The Govt. of India, Ministry of Environment Forests & Climate Change,  
New Delhi letter dtd. 24/06/2024  
2. The user agency letter dated 26/06/2024

Sir,

The Govt. of India, Ministry of Environment Forests & Climate Change, New Delhi vide letter under reference No. 1 has sought compliance on 4 points. Accordingly, the user agency vide letter under reference No. 2 has submitted the compliance report to this office. The same may be submitted as under-

Sr. No.	Point	Compliances
i	As per the DSS analysis report it has been reported that still the correct component wise KML file of the activities proposed to be undertaken on the Forest as well as Non-forest land has not been given. The copy of report is enclosed wherein some areas through KML file have been found varying from the proposed land use plan and the same have been highlighted in bold. In view of the above, the State Govt. shall provide the correct KML file as per proposed components over the Forest as well as the Non-forest land.	The User Agency has submitted compliance report which as shown as under –  In the last compliances, component wise KML files for Forest and Non Forest for pre-mining and post mining were submitted.  As per DSS report provided with this letter has been reviewed and fresh KML file for highlighted component is prepared and is enclosed in attached CD.
ii	The land use plan submitted by user agency against point no (i) above, it has been mentioned that post mining an area of 23.160 ha for external OB dumps, 28.08 ha for excavated void, 1.70 ha for settling pond and 11.042 for rationalization of area on forest land. However, the state was asked to give the justification for using 52	The User Agency has submitted compliance report which as shown as under –  The required justification for using 52 ha forest as external dump and 12.2 ha. for road and infrastructure in post mining land use has already been given which is reproduced below -  The break up of 52 ha. land shown as external

	ha forest land as external dump and 12.20 ha. for road and infrastructure, post mine closure, which has not been submitted.	dump in post mining is as under – 23.16 ha. is proposed over excavated area (re-handled/backfilled) in forest land and 28.840 ha is on excavated land in non forest area.  12.20 ha. shown as road and infrastructure is in non forest area which will be finally reclaimed as plantation in post mining land use. This is to further confirmed that forest land is being used only for excavation 144.542 ha and safety zone 2.454 ha.
iii	The State had Mentioned that a part of the NFL was acquired by the prior allottee. The State was therefore asked to examine whether the NOC from the prior allottee is required in the instant case or not. In this regard no response has been received from the State Govt.	The User Agency has submitted compliance report which as shown as under – The copy of the vesting order is enclosed as annexure 1. Government of India has issued vesting order in favour YIPL as a successful bidder. All land acquired and mentioned in annexure 1 has been vested by order of Nominated Authority. Ministry of Coal, Government of India (Refer para 1 (3) of vesting order. Therefore there is no need of NOC from prior allottee.
IV	The NOC for Nallah diversion from the Water Resources Department, Government of Maharashtra has not been submitted.	The User Agency has submitted compliance report which as shown as under – We have already submitted the actions initiated to obtain NOC for nallah diversion from Water Resource Department, the copy of which is enclosed as annexure II. The final design based on the study by WRD GOM is under preparation and final NOC will be submitted before final approval of forest land diversion under Van (Sanrakshan Evam Samvardhan) Adhiniyam 1980.

In view of the above facts, the aforesaid compliance submitted for further necessary action.

Encl. – As above

Yours Sincerely,

(Naresh Zurmure)

Additional Principal Chief Conservator of Forests  
& Nodal Officer, Nagpur

Subject: Diversion of 146.996 ha, forest land for integrated Coal Mining including post mine reclamation in Mark-Marali II coal block in Yavatmal District of Maharashtra State in favour of Yazdani international Private Limited (Online No. FP/MH/MIN/145510/2021) - reg.

Reference: Letter dated 24/6/2023 FN 8-22/2023-FC

Dear sir

With reference to above please find below compliances of shortcoming observed

Sr. No	Observations	Compliances
I	<p>As per the DSS analysis report it has been reported that still the core component wise KML file of the activities proposed to be undertaken on the Forest as well as Non-forest land has not been given. Areas of following highlighted items are varying</p> <p>State Govt. shall provide the correct KML file as proposed components over the Forest as well as the Non-forest land</p>	<p>In the last compliances, component wise KML files for Forest and Non Forest for pre-mining and post mining were submitted.</p> <p>As per DSS report provided with this letter has been reviewed and fresh KML file for highlighted component is prepared and is enclosed in attached CD.</p>
II	<p>The land use plan submitted by user agency against point no (i) above, been mentioned that post mining an area of 23.160 ha for external dumps, 28.08 ha for excavated void, 1.70 ha for settling pond and 11.04 rationalization of area on forest land. However, the state was asked for the justification for using 52 ha forest land as external dump and 12.20 road and infrastructure, post mine closure, which has not been submitted</p>	<p>The required justification for using 52 ha forest as external dump and 12.2 for road and infrastructure in post mining land use has already been given which is reproduced below</p> <p>The break up of 52 ha land shown as external dump in post mining is as under: 23.16 ha is proposed over excavated area (re-handled/backfilled) in forest land and 28.840 ha is on excavated land in non forest area.</p> <p>12.20 ha shown as road and infrastructure is</p>

		in non forest area which will be finally reclaimed as plantation in post mining land use. This is to further confirm that forest land is being used only for excavation 144.542 ha and safety zone 2.454 ha
III	State had Mentioned that part of the NFL was acquired by the prior allottee. The State was therefore asked to examine whether the NOC from the prior allottee is required in the instant case or not. In this regard no response has been received from the State Government	Copy of the vesting order was enclosed in response to this. Government of India has issued vesting order in favour YIPL as a successful bidder. All land acquired and mentioned in annexure 1 has been vested by order of Nominated Authority. Ministry of Coal, Government of India (Refer para 1 (3) of vesting order .Therefore there is no need of NOC from prior allottee. (ANN-1)
IV	The NOC for Nalha Diversion from the Water Resources Department, Government of Maharashtra has not been submitted.	We have already submitted the actions initiated to obtain NOC for nalha diversion from Water Resource Department the copy of which is enclosed as annexure II Final design based on the study by WRD GOM is under preparation and final NOC will be submitted before final approval of forest land diversion under Van (Sanrakshan Evanm Samwardhan) Adhinyam 1980.

Enclosed: CD containing KML file as mentioned above (para I of above table)

You are requested to kindly consider above compliance for onward transmission to Government of India.

Regards

Ashok Kumar Pani

Vice President

Yazdani International Private Limited

Bhubaneswar

**GOVERNMENT OF INDIA**  
**MINISTRY OF COAL**  
**OFFICE OF THE NOMINATED AUTHORITY**  
(Constituted under Section 6 of The Coal Mines (Special Provisions) Act, 2015)  
Shastri Bhawan, New Delhi

**VESTING ORDER**

**(under clause (b) of sub-rule (2) of rule 7 and sub-rule (1) of rule 13 of the Coal Mines (Special Provisions) Rules 2014 read with clause (b) of sub-section (3) of Section 6 and sub-section (3) of Section 8 of the Coal Mines (Special Provisions) Act, 2015)**

In re: **Marki Mangli II Coal Mine** (the "mine") particulars of which is specified in **Annexure 1**

Order no.: NA-104/3/2020-NA

Date: March 03, 2021

In favour of: **Yazdani International Private Limited**, incorporated in India under the Companies Act, 1956 with corporate identity number U13209OR2006PTC009009, whose registered office and principal place of business is at 7th Floor, C-Wing, Fortune Towers, Chandrasekharpur, Bhubaneswar, Odisha 751023, India (the "successful bidder")

For the purpose of: Sale of coal, including sale to Affiliates and related parties, utilisation of coal for any purpose including but not limited to captive consumption, Coal Gasification, Coal Liquefaction and export of coal.

WHEREAS, the nominated authority has, in accordance with provisions of the Coal Mines (Special Provisions) Act, 2015 (the "Act") and the Coal Mines (Special Provisions) Rules 2014 (the "Rules") conducted the auction of the mine;

AND WHEREAS the successful bidder is eligible to receive this vesting order with respect to the mine including, inter-alia, -

(a) the coal bearing land acquired by the prior allottee and the lands, in or adjacent to the coal mines used for coal mining operations acquired by the prior allottee; and

(b) any existing mine infrastructure as defined in clause (j) of sub-section (1) of section 3 of the Act;

AND WHEREAS the successful bidder has furnished a performance bank guarantee dated February 18, 2021 for an amount equal to INR 20,17,06,066.40 (Indian Rupees Twenty Crore Seventeen Lakh Six Thousand Sixty Six and Forty Paise) issued by Punjab National Bank in accordance with the tender document and in accordance with the provisions of sub-section (6) of section 8 of the Act and sub-rule (4) of rule 13 of the rules.

AND WHEREAS the successful bidder has entered into a Coal Mine Development and Production Agreement dated January 11, 2021 ("CMDPA") (as amended) with the nominated authority in accordance with the provisions of sub-rule (5) of rule 13.

NOW, THE NOMINATED AUTHORITY DOES ORDER:

1. On and from March 03, 2021 ("vesting date") and in accordance with the provisions of sub-section (4) of section 8 of the Act, with respect to the mine, the following shall stand fully and absolutely transferred and vested in the successful bidder, namely: -

(a) all the rights, title and interest of the prior allottee in and over the land and mine infrastructure free from all encumbrances;

(b) entitlement to a prospecting license, mining lease or prospecting license-cum-mining lease to be granted by the State Government with the terms and conditions of CMDPA forming a part of it on making an application;

(c) all statutory licences, permits, permissions, approvals or consents as per rules, required to undertake coal mining operations in the mine, if already issued by the Central Government, to the prior allottee on the same terms and conditions as were applicable to the prior allottee, as listed in the **Annexure 2**;

(d) entitlement to any statutory licence, permit, permission, approval or consent required to undertake coal mining operations in the mine, if already issued by the Central Government, to the prior allottee on making an application on the same terms and conditions as were applicable to the prior allottee, as listed in the **Annexure 3**;

(e) entitlement to any statutory licence, permit, permission, approval or consent required to undertake coal mining operations in the mine, if already issued by the State Government, to

the prior allottee on making an application on the same terms and conditions as were applicable to the prior allottee, as listed in the **Annexure 4**;

(f) rights appurtenant to the approved mining plan of the prior allottee;

(g) any subsisting contract in relation to coal mining operations, to which the prior allottee was a party and which is assumed, adopted and continued by the successful bidder and listed in the **Annexure 5** shall stand novated (by virtue of a deemed consent from the relevant party(ies)), in accordance with the provisions of sub-section (1) of section 11 of the Act in favour of the successful bidder for the residual term or residual performance of such contract;

2. The successful bidder may seek any change in the terms and conditions attached to such licence, permit, permission, approval or consent by making an application in accordance with applicable laws;

3. Hereinafter, the successful bidder shall be entitled to take possession of the mine as specified in **Annexure 1** without let or hindrance;

4. This vesting order is liable to be cancelled in accordance with the provisions of sub-rule (6) of rule 13.

(By the nominated authority)

**Annexures:**

**Annexure 1: Particulars of the mine**

Part A – Description of the mine

**Subject:** – Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design flood Estimation only)

**Reference:** – 1) DGM, Marki Mangali-II, Yazdani International Pvt. Ltd. Dist. Yavatmal, Letter No. SDE/YIPL/2023-24/08 dated- 21/12/2023 (By E-mail)  
2) Approved Office Note by Director General (DTHRS), MERI, Nashik, on Dt. 08/01/2024.

Dear Sir,

With reference to the above cited letter under reference no.1, it is being informed you that the work of Design flood estimation Only for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State is being taken on consultancy basis by this office.

Consultancy agreement for flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State (Design flood estimation Only) is being submitted herewith your further action please.

Accordingly, the charges required for preparation of design notes and drawings are as mentioned below,

Sr. No.	Description	No. of Reports	No. of Drawings / Sketches/Plates	Total No. of Equivalent Drawings.
1	Consultancy For-Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation only)	1	4	6.5
	<b>Total</b>	<b>1</b>	<b>4</b>	<b>6.5</b>

(Note:- One Note is considered to be equivalent to 2.5 drawings).

As per agreement the total consultancy charges are illustrated as under

Sr. No.	Description	No. of Eq. Drgs. X Rs. per Drg.	Amount in Rs.
01	Consultancy Charges For-Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation only)		
	Report and Drawings/Plates Preparation	6.5 X 1,60,000	= 10,40,000/-
02	<ul style="list-style-type: none"> <li>• Office expenses (e.g., Stationary, purchasing new furniture &amp; repairing old, purchase curtains etc.)</li> <li>• Computer Expenses (e.g., Purchasing New computer/ laptops/printers/UPS &amp; other accessories &amp; repair of old computer/laptops/printers &amp; accessories, refilling/purchase of Cartridge for printers, internet bill, M &amp; R to computer &amp; printers etc.)</li> <li>• Civil/Electrical M &amp; R to flood division office and premises etc.</li> <li>• Capacity Building (e.g., Purchasing software &amp; it's upgradation, Impart training to staff etc.)</li> </ul>		= 50,000/-
03	<b>Total Amount</b>		= 10,90,000/-

## ANNEXURE – A

Statement showing the estimation of consultancy fees to be charged to DGM, Marki Mangali-II, Yazdani International Pvt. Ltd., Post- Wani, Dist. Yavatmal, for the consultancy work of Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation only)

## 1.0 GENERAL:

The work referred by DGM, Marki Mangali-II, Yazdani International Pvt. Ltd., Post- Wani, Dist. Yavatmal, for the consultancy work of Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block, Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State (Design Flood Estimation only). Consultancy consists of furnishing Design Notes & Drawings for the work of Design Flood Estimation only.

## 2.0 ASPECTS OF CONSULTANCY WORK:

The consultancy work is categorized in following aspects and consultancy fees are worked out in accordance with the directives contained in Chief Engineer, C.D.O., Nashik's letter no. 51/2018 dated 12/03/2018

## 3.0 TOTAL NUMBER OF DRAWINGS:

The following number of drawings and design notes etc. are anticipated to be prepared by Data Analysis Circle, Nashik for this consultancy work.

Sr. No.	Description	No. of Reports	No. of Drawings/ Sketches/ Plates	Total No. of Equivalent Drawings.
1	Consultancy For-Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation only)	1	4	6.5
	Total	1	4	6.5

(Note: One Note is considered to be equivalent to 2.5 drawings)

#### 4.0 CONSULTANCY FEES:

As per, C.E, CDO Nashik's Marathi Letter no. CDO/PB/Consultancy-Vetting/51/2018, Dated 12/03/2018, the normal rate of drawing to be charged for consultancy fees is Rs. 1,60,000/- per drawing considering the category of consultancy as detailed in (2) above, with corresponding multiplying coefficients and no. of anticipated equivalent drawings as worked out in (3) above. The total consultancy fees to be charged for the work will be

$$\text{Rs}*(N)* (\text{multiplying Coefficients})$$

Where N = No. Of Drawings

Sr. No.	Description	(N) * RS	Amount in Rs.
01	<b>Consultancy Charges For-Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation only)</b>		
	Report and Drawings/Plates/Sketches	6.5 X 1,60,000	= 10,40,000/-
02	<ul style="list-style-type: none"> <li>• Office expenses (e.g., Stationary, purchasing new furniture &amp; repairing old, purchase curtains etc.)</li> <li>• Computer Expenses (e.g., Purchasing New computer/ laptops/printers/UPS &amp; other accessories &amp; repair of old computer/laptops/printers &amp; accessories, refilling/purchase of Cartridge for printers, internet bill, M &amp; R to computer &amp; printers etc.)</li> <li>• Civil/Electrical M &amp; R to flood division office and premises etc.</li> <li>• Capacity Building (e.g., Purchasing software &amp; it's upgradation, Impart training to staff etc.)</li> </ul>		= 50,000/-
	<b>Total Amount</b>		<b>= 10,90,000/-</b>

**Consultancy Charges = Rs. 10,40,000/- (Excluding G.S.T)**

Annexure 'B'

The consultancy work of Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block, Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State (Design Flood Estimation only), consists of furnishing design notes and drawings for the work is accepted by Data Analysis Circle, Nashik, (D.A.C.) on behalf of the Government of Maharashtra in favour of DGM, Marki Mangali-II, Yazdani International Pvt. Ltd., Post- Wani, Dist. Yavatmal, (the term "firm" referred to in this agreement means any semi-govt. body, board, corporation or private body, entering into agreement with Data Analysis Circle Nashik for consultancy work.)

**1.0 The scope of consultancy work:**

The scope of consultancy work to be done by Data Analysis Circle, Nashik is to carry out Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block, Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State (Design Flood Estimation only) Consultancy consists of furnishing of design notes and drawings for the work. The work is referred by DGM, Marki Mangali-II, Yazdani International Pvt. Ltd., Post- Wani, Dist. Yavatmal.

**1.1 The scope of consultancy work will include**

- A) Inspection of project site during the consultancy work as per the requirements, if required.
- B) Guidance to the firm if required, for carrying out design flood value estimation, for preparation of design note and drawings.
- C) The scope of the work as envisaged by D.A.C. is mentioned below.

Sr. No.	Description	No. of Reports	No. Drawings / Sketches/Plates	Total No. of Equivalent Drawings.
1	Consultancy For-Flood study of Design for Preparation of FSR (Feasibility Study Report) of flood Study of Nallah (Dadhani Nallah) of Marki Mangli II, Coal Block Tehsil- Zari-Jammi, Dist. Yavatmal, Maharashtra State. (Design Flood Estimation)	1	4	6.5
	Total	1	4	6.5

(Note: One Note is considered to be equivalent to 2.5 drawings.)

d) The period for the necessary clarifications, if any, required by the firm on the Design notes and drawing will be up to a period of six month after supply of final Design notes and drawings.

1.2 The scope of consultancy work to be carried by DAC shall not include preparation of estimate, tender paper, and scrutiny of tender for the work and related matters in this respect. It will also not include field control and quality control on the construction of work to be done by the firm, however it is obligatory on DGM, Marki Mangali-II, Yazdani International Pvt. Ltd., Post- Wani, Dist. Yavatmal, to furnish a summary of water releases out from the spillways of dams for its further analysis if required.

## 2.0 PAYMENT OF CONSULTANCY FEES:

The total fees to be paid by DGM, Marki Mangali-II, Yazdani International Pvt. Ltd. Post- Wani, Dist. Yavatmal, will be Rs 10,90,000/- (Rs. Ten Lakh Ninety Thousand Only) excluding G.S.T

Total amount of consultancy fees excluding visit charges of Water Resources Department officials shall be paid in advance, at the time of taking the work in hand and signing of Agreement for the consultancy. The payment shall be made by demand draft in favour of "Executive Engineer, Hydrology Project Division, Aurangabad".

If during course of execution of consultancy work no. of drawings varies the additional fee is binding upon the firm.

## 3.0 SUPPLY OF DATA FOR THE DESIGNS TO BE DONE:

In normal course, all the data required for the preparation of design notes and drawings to be done under this consultancy shall be supplied by the firm, as and when required. The firm will be entirely responsible for the timely supply and accuracy of the required data and information for the preparation of design notes and drawings. If the data is not given by the firm as per the requirement, there will be delay in supply of design & drawings. The schedule of supply of design notes and drawings will be postponed according to the period of delay in supplying the data for which this organization shall not be held responsible. This organization will not take up the work of designs for the respective components unless required field data is made available. All costs of collection and supply of data as well as testing of materials if needed, for consultancy will be borne by the firm.

If the firm of its own desires certain data collection and investigation to be carried out through the Government Organization like MERI, Mechanical

Organization, I.M.D. New Delhi and IPI division etc. on its behalf, respective organizations may be approached by the firm independently within a reasonable period. The firm will pay to the concerned Organizations the rates applicable plus consultancy charges as per the departmental rules. Suitable time variation may have to be allowed in completing final consultancy assignment to account for some delays, if any, for work which cannot be done with required priority by those organizations.

Similarly, if the Chief Engineer, Hydrology & Dam Safety, Nashik specifically desires (for certain specific reasons) that for the present consultancy job certain investigations, additional data required to be collected by other Government Organization, the firm shall be bound to get these data from the respective organizations on payment as billed by the respective organizations.

#### **4.0 ESTIMATED PERIOD OF COMPLETION OF CONSULTANCY WORK:**

**4.1** Subject to timely receipt of the required data in the stipulated form from time to time, the consultancy work shall be completed within a period of six months (For Design Flood Estimation only) from the month of receipt of full data and receipt of full consultancy charges. The schedule of supply of design notes and drawings will get postponed according to the period of delay in supplying the data for which Superintending Engineer, Data Analysis Circle, Nashik shall not be held responsible.

**4.2** If the data required from time to time is not received from the firm within a stipulated period, the Data Analysis Circle, Nashik may have to be consider termination of consultancy work, and in that case, the firm shall be liable for action under para 5.0 below.

#### **5.0 TERMINATION OF CONSULTANCY WORK:**

If the firm of its own desires for termination of the consultancy work before completion or in contingency arising out of para 4.2 above the amount already paid to Data Analysis Circle for the consultancy work will not be refunded. In case of any dispute arising out of this agreement, the matter will be referred to **The Director General, Maharashtra Engineering Research Institute (MERI), Nashik-4**, who will be the final authority for decision.

Data Analysis Circle, Nashik will not be responsible and answerable for any issues regarding necessary clearance, legal, environmental, forest, financial & any other aspect of the project.

#### 6.0 FEED BACK DATA & REVISION IN THE DRAWINGS IF NECESSARY:

If designs and drawings of flood study need considerable revision, then the firm will be charged extra for these revised drawings and designs. These extra charges will be intimated to the firm separately at the time of taking up the revision. The organization will not be responsible for any claims cropped up due to these revisions.

#### 7.0 VISITS TO THE SITE OF WORK BY OFFICERS OF THE GOVT. OF MAHARASHTRA:

a) If considered necessary, and as and when required, according to urgencies of the design work, the concerned D.A.C. officers will visit the site of work for inspection and verification of site conditions etc.

b) All actual conveyance charges "C (ii)" below along honorarium charges (Excluding G.S.T.) as below shall be paid in cash during the site visit.

1) Director General	- Rs 8000/- per visit
2) Chief Engineer	- Rs 6700/- per visit
3) Superintending Engineer	- Rs 5300/- per visit
4) Executive Engineer	- Rs 4000/- per visit
5) Sub Divisional Engineer	- Rs 2600/- per visit

c) (a) Conveyance charges:

i) No conveyance charges are applicable, if to and fro vehicle arrangement from Data Analysis Circle, Nashik to work site is arranged by the Yazdani International Pvt. Ltd., Dist. Yavatmal.

ii) Vehicle hire charges as applicable at the time of visit for each vehicle for actual distance from Data Analysis Circle, Nashik to site and back to Nashik will be charged separately.

iii) Railway /Air / Bus fares as per actual.

(b) Halting Charges:

Appropriate halting arrangement shall be made by Yazdani International Pvt. Ltd., or else, all expenses towards lodging and boarding shall be paid by Yazdani International Pvt. Ltd. if accommodation is arranged by Data Analysis Circle, Nashik officers and charges thereof shall be paid separately by Yazdani International Pvt. Ltd.

**8.0 Supply of drawings and design notes:**

Normally all the design notes and drawings will be furnished by the Data Analysis Circle in **Two sets**. If, however, the firm desires additional sets of design notes and drawings, these will be charged separately at the following rates.

Per drawing Rs. 300/-

Per design note Rs. 1000/-

**9.0 Completion of consultancy work:**

**9.1** The consultancy work under this agreement shall be deemed to have been completed as soon as the relevant Design Notes and drawings as covered in para 3 of Annexure - A supplied by Data Analysis Circle, Nashik Further Clarifications, if any, required on such design notes and drawings may be referred to Data Analysis Circle, Nashik within period of six month from the month of supply, after which it will be presumed that no such clarifications are required.

**9.2** If during the period of consultancy, the firm desires any modifications in the scope of design notes and drawings due to change in data as mentioned in para 6.0 or by way of change of control levels and features of the work originally referred to or any other changes for the purpose of design notes and drawings, the consultancy work for the original work shall be continued at an extra charge mutually agreed for the additional work involved.

**9.3** If such modifications are proposed after the consultancy work is over, separate agreement shall be made for the additional work and consultancy fees shall be paid by the firm at the rates prevailing at that time.

**10.0** Data Analysis Circle, Nashik will not be responsible and answerable for any issues regarding necessary clearance, legal, environmental, forest, financial & any other aspect of the project.
