Kind attention is invited to the references cited.

The District Forest Officer, Kamareddy District in the references 5th and 6th cited has submitted replies to the EDS raised by the RO, MoEF&CC, Gol, Chennai vide reference 1st cited.

Sl. No.	EDS raised by IRO	Replies submitted
1	Identify alternate suitable CA land as per the guidelines of the Ministry	The User Agency has identified alternative non-forest land to an extent of 2.1213 Ha in Sy No.419 of Demikalan Village of Tadwai Mandal of Kamareddy District. The District Forest Officer vide reference 5 th cited has informed that the identified NFL allotted is not suitable for any plantation, as the area is of Rock sheet and is covered by boulders and the canopy density is less than 0.4. As such, no further plantation can be taken up in the CA NFL land, the District Forest Officer has proposed Soil Moisture Conservation works such as digging of Staggered contour trenches etc. Further, it is very essential to safeguard the area by digging CPT and erecting chain link fencing so as to

		<p>prevent any encroachment attempt and protect the land.</p> <p>Further, the District Forest Officer has informed that the NFL identified is adjacent to Compt.No.706 of Lingampally RF of Kamareddy Division and it is falling in ESZ of Pocharam Wildlife Sanctuary and is also contiguous to CA land proposed to be given for other projects.</p> <p>The District Forest Officer has prepared CA scheme in double the extent of NFL identified to an extent of 4.242 Ha in Degraded Forest Land in Compt.No.695 of Dharmareddy Beat, Tandoor RF, Nagireddupet Range.</p> <p>CA scheme is prepared as below:</p> <p>CA - NFL = 54.091 Lakhs.</p> <p>CA - DFL = 40.272 Lakhs.</p> <p>The CA scheme proposals / Site inspection report / Soil Suitability Certificate of the District Forest Officer, Kamareddy along with non-encumbrance certificate / undertaking issued by the District Collector, Kamareddy is enclosed and uploaded on PARIVESH portal.</p> <p>The location of the Degraded Forest Land selected for CA is being mailed as there is no provision for uploading Degraded Forest Land details in PARIVESH 1.0.</p>
2	Clarification on the measures to be taken for the protection of the adjoining forest area	<p>The District Forest Officer has informed that the protection measures will be taken care to prevent encroachments in the adjoining forest area existing between the old and existing road and the proposed new road.</p>

Copies of the report of District Forest Officer, Kamareddy along with necessary enclosures are sent herewith with a request to forward the above replies to the IRO, MoEF&CC, Gol, Chennai, for considering the proposal for Stage-I approval, for the Project at an early date.
