Specific Recommendation for proposal of M/s Electrosteel Steels Ltd. (184.23 ha.)

The proposed area for regularization encroached Forest cum Jungle-Jhari got sparse and shrubby vegetation with density 0.10 (approx). Land measuring 184.23 ha. for M/S Electrosteel Steels Ltd. is recommended on following conditions-

1. As per Government of India, Ministry of Environment, Forest and Climate Change F.No.11-42/2017 FC dated 29th Jan. 2018 the penalty for violation may be imposed equal to five times of the NPV of forest land per ha. with 12% simple interest till the deposit is made.
2. Condition of penal compensatory afforestation over the double applied area may also be imposed.
3. All the cases lodged by the officers of then Electrosteel Integrated Steel Ltd. against the Forest Officers and staffs who tried to stop the construction works of steel plant on forest land will be withdrawn by the company authority.
4. The applied area is surrounded by Forest Area around and due to the biotic interference of workers working in the plants cause forest fire. The user agency will provide all necessary support to Forest Department in fire protection of nearby forest area.
5. The area is vulnerable to soil erosion and hence a treatment plan with adequate soil conservation measures will be prepared and implemented by user agency under the guidance of Forest Department.
