

No. C-28-b-1602/ FCA (Online)/Theog/ 7298
Himachal Pradesh Forest Department

Dated, the Shimla-02 31-8-22

From: CCF Shimla

To:- Nodal Officer-cum-APCCF(FCA)
O/o Pr.CCF(HoFF)H.P Shimla.

Subject:- Diversion of 0.4867 ha. of forest land in favour of Sh. Baldev Singh Thakur, Director, Kufri Fun Campus, Shimla for the construction of Gravity Zip Ropeway, within the jurisdiction of Theog Forest Division, District Shimla HP. (Online Proposal No. FP/HP/Others/142897/2021)

Memo:

This is w.r.t. the EDS raised by Integrated Regional Office Longwood Shimla dated 14.12.2022 on the subject cited above.

The point wise reply is as under:-

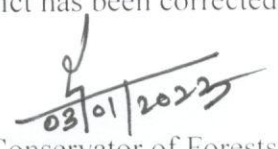

1. The justification regarding the site specific nature of project has been provided by the user agency which is enclosed for consideration please.
2. A fresh KML file showing the proposed diversion in distinct colour is by the user agency and is uploaded on part-I.
3. Alternative examined sites now marked in KML file.
4. Complete location of towers has been marked on the KML file.
5. Point No:-
 - (i) It has been verified from field staff that the proposed alignment involves least No. of trees.
 - (ii) It has been verified from field staff that the route alignment through the forest area will not deviate and the ropeway is more than 5 meters.
 - (iii) The land required for construction of terminal station and line tower proposed to be constructed on forest land included in the proposed diversion.
 - (iv) The land under the ropeway, alongwith the forest land where no felling is proposed is included in the proposed diversion is included in the proposed diversion. And the user agency has undertaken to pay the NPV of that land.
 - (v) It has been verified from the user agency that no electricity will be passing through the cable.
6. The detailed layout plan indicating location of both towers provided by the user agency and authenticated by the concerned DFO is uploaded on Part-I.
7. Pertains to higher ups.
8. A fresh PDF File of soil and moisture conservation scheme is uploaded in part-II against additional information.
9. The user agency has undertaken that all generated muck will be adjusted in the proposed site and the MMP is submitted in this regard.
10. The Aerial Distance Certificate from the nearest PA duly signed by concerned DFO has been uploaded against part-II.
11. (i) A fresh site is selected for CA adjacent to the previously selected site in the same forest. The soil texture and suitability factors are as same as the

previous one. And the KML file of new are alongwith digital map and toposheet has been uploaded on part-II.

ii) The copy of notification is uploaded against additional information on part-II.

12 The figure of geographical area of the district has been corrected.

Encls: (As above)
