दिनांक: 3.7.17

निमित्त : अतिरिक्त प्रधान मुख्य वन संरक्षक (केन्द्रीय),  
भारत सरकार, पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय  
क्षेत्रीय कार्यालय, मध्य क्षेत्र पंचम तल, केन्द्रीय भवन सेक्टर एच  
अलीगंज, लखनऊ।

विषय :- **Diversion of 19.7432 ha. Of forest land for 400 KV S/C Transmission Line extending from 765/400 KV GSS to 400/220 GSS PGCILs Kota in Bundi & Kota District in favor of RRVNL without felling of trees –reg. Online Proposal No. FP/RJ/Trans/18259/2016**

संदर्भ :- आपका पत्र क्रमांक 8B/Raj/04/09/2017/FC/96 दिनांक 08.06.2017

महोदय,

उपरोक्त विषयान्तर्गत प्रस्ताव में मुख्य वन संरक्षक/उप वन संरक्षक /यूजर एजेंसी से प्राप्त सूचना के आधार पर बिन्दुवार पालना निम्नानुसार प्रस्तुत है।

क्रमांक	आक्षेप का विवरण	पालना
1	(a) As per information provided at A-3(xvii) regarding copy of document in support of the competence/ authority of the person making this application on behalf of the User Agency, the document attached mentions shri MK Saxena as authorized signatory whereas Om Prakash Sharma is authorized signatory as per part I uploaded. (b) The signature of authorized signatory on behalf of user agency has not been attasted or verified.	(a) Corrections have been made in web portal. Attasted authorized signatory letter uploaded at A-3 (xvii) of part I of th online proposal. Hard Copy is enclosed. (b) The attasted authrised signatory copy is enclosed.
2	As per As per information provided at B-1 proposal approval in principle having no FP/RJ/TRANS/4124/2013 in March is still pending for final approval. Reasons for such inordinate delay shall be explained as well as status regarding violation of FCA 1980 of this proposal needs submission.	All compliance (amount and allotment of NFL) except point no 12 (study from WII for impact of project to the Birds) has been done by UA. Undertaking has been given for point no 12. Compliance is forwarded from DCF to CCF WI Kota on dated 19.6.2017. Copy of letters is attached in Hard Copy.
3	The information at B2.1 mentioned forest land of Kota territorial Division and Bundi Territorial forest division are proposed for diversion but the forest land proposed for diversion of Kota Territorial Division is shown NIL. This type of superfluous data provides wrong	User Agency states that he was not aware for forest land kota forest division while the project lies in Kota and Bundi district. As per consultant of Monitoring wing MOEF &CC New Dehli, no correction can be done at this time of proposal. If corrections are needed, fresh proposal is

	picture and the same needs rectification provided at C-ii (b) in Part I regarding no of segments is incorrect.	required. Kindly consider for same proposal.
4	The information provided at C-ii (b) in the part I regarding no of segments is incorrect.	Only one segment having forest area 19.7432 (single patch in one village) is involved. Correction has been made in C-ii (b) of Part II. Hard Copy is enclosed.
5	The geo referenced map of proposed forest land diversion is without geo coordinate of key points. The geo coordinates of only centerline of alignment has been provided.	GPS coordinates of forest land where transmission line crosses are given. GPS coordinates of some key point like existing tower, towers is to be made (in and out) are also given. Amendent DGPS map is attached at c-iv of part I. Hard copy is attached.
6	The toposheet showing location of proposed diversion is hazy and other alternative routes examined are also not clearly marked on the topo sheet.	All three alternative routes are marked in toposheet which is attached at point no D of part I. KML file for three alternatives is also uploaded at point c-ii (b) of part I of online proposal. Hard copy of topo sheet is attached.
7	As the proposed forest land for diversion is below 20 Hac. and located in plains, the proposal does not require submission of Cost Benefit Analysis attached with the proposal is not as per guideline of MOEF & CC	Since the proposal for diversion of forest area is below 20 Hac. Hence the Cost Benefit Analysis which was uploaded earlier in part I has been deleted.
8	The component wise break up provided at B 2.4 in part I do not provide details of forest land required for tower erection and strengthen works.	The component wise break up has been corrected and uploaded in the other document of part I. The tower erection and strengthen works shall be carried out within the ROW of the line.
9	The documents/certificates submitted for FRA 2006 are Xerox copies without attestation and some of the documents are illegible.	Original copy is already submitted. Attested and legible copies of the documents are uploaded in point no K of part I and hard copy is enclosed.
10	Blank part of II, III, IV and V has been uploaded in part I of the proposal.	Blank part of II, III, IV and V which was uploaded earlier in part I has been removed.
11	The proposal is without map (SOI topo sheet) showing locations of towers on forest land and non forest land.	The map (SOI topo sheet) has been uploaded at additional information details of part I, the topo sheet showing all 13 number of locations falling in the forest area has been marked. Hard copy is enclosed.
12	The site inspection report of the DCF does not mention legal status of forest land.	Revised site inspection report is uploaded in part II. Copy is enclosed.

12	Gazzate notification of the forest land has not been provided with the proposal.	Copy of Gazzate notification is uploaded in part II of additional information.
