

No. 4098
HP Forest Department.

Dated Rampur, the 12/10/15

From: - DFO Rampur.

To: - C.C.F. (T) Rampur

Subject: - Diversion of 0.0400 hac of forest land for the construction of A.E. Office-cum-Residence at IPH Sub-Division Taklech in the jurisdiction of Rampur Forest Division.

Memo:

Kindly refer to your office Endst. No. 4086 dated 19/9/2015 on the subject cited above.

In this context, the point wise reply of the information desired by the Govt. of India is as under:-

1. Digital map of the area proposed for diversion indicating geo coordinates on map has already been appended with the proposal at page number 14.
2. FRA certificate has already been appended with the proposal at page number 24-33.
3. Needful has already been done at page number 6 of the proposal folder.
4. Since the area proposed for diversion is to be developed by adopting partially in cutting and partially in filling method the cross-section for muck disposal plan has already been appended with the proposal at page number 62-65.
5. The new digital map of the CA bank showing coordinates of 0.08 ha has been prepared and append herewith.

In the proposal submitted for diversion of 0.08 ha of forest land, the layout plan of level 2 floor was attached inadvertently. However the proposal submitted for diversion of forest land is for construction of Sub Divisional Office building at level 1 floor and to avoid diversion of extra land for residence purpose and make best use of diverted land, it has been proposed to construct residence at level 2 floor. Moreover as per norms minimum area required for Sub Divisional level office building is, as shown in the drawing appended and cannot be reduced. The forest land is to be used mainly for the construction of office of the AE/SDO I&PH.

It is, therefore, requested that the same may be transmitted to the quarter concerned to take further necessary action in the matter.

Encl: As above.
