Sub: Sanction of lease of Govt. land measuring Ac.2.200 in Mouza-
Maharajpur, Dist.-Mayurbhanj in favour of Mayurbhanj College of
Accountancy & Management (MCAM), Baripada.

Ref: Letter No.3170/Rev, dtd.07.12.2019 of ADM, Mayurbhanj

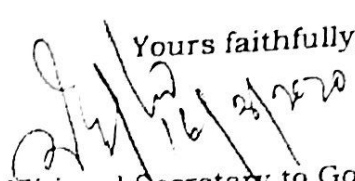

Sir,

In inviting a reference to the subject cited above, I am directed to say that as per this Department G.O No. 4822/CS dated 12/02/2015 issued under the signature of Chief Secretary, Odisha, a land which has been classified as 'forest' as on 25.10.1980 is to be treated as forest irrespective of the fact that the classification has been changed to non-forest kisam subsequently by a statutory process. Where the present RoR of a land has been published after 25.10.1980, the old RoR has to be referred to in order to ascertain if such land was forest as on 25.10.1980. And if the land was forest as on the date 25.10.1980, Forest (Conservation) Act, 1980 will be applicable and forest diversion has to be done accordingly.

2. In the present case, though the process of settlement operation started from 1975, the final RoR was published during 1985 i.e. after 25.10.1980. So, as per the circular issued by Chief Secretary, the old RoR has to be referred to. In the old RoR i.e. in the Sabik record, the kisam of the land was forest. Thus, FC Act, 1980 will be applicable in the present case.

3. You are, therefore, requested to advise the College authorities to apply before the Nodal Officer authorized by the State Government to deal with forest conservation matters under the FC Act, 1980 by following due procedure as prescribed in rule 6 of the FC Rules, 2003 to use the forest land in question for non-forest purpose. This shall be subject to the condition that the user agency

i.e. Mayurbhanj College of Accountancy & Management (MCAM), Baripada shall provide required extent of land for compensatory afforestation purpose which is to be mutated in the name of Forest & Environment Department. On the other hand, if the user agency is unable to provide such land and if suitable Govt. land is available, Revenue & D.M. Department may provide such required land to the user agency for compensatory afforestation purpose subject to payment of premium of the land by the user agency.

Yours faithfully,

Additional Secretary to Government
