RECOMMENDATION OF THE CONSERVATOR OF FORESTS,
DINDIGUL CIRCLE, DINDIGUL.

I inspected the L.Malaiyur road project area in Perumalai RF of Dindigul Division on 18.04.2018. I agree with the recommendations of District Forest Officer Dindigul. As the forest involved is open Usilai/scrub forest, the damage to the forest Eco system is less. Hence, I recommend for the diversion of forest land for this road project with the condition that the patta boundaries of the inhabitants are demarcated in the field physically before the start of the project to avoid encroachment and other illegal land uses in future.
