S.No.	Query	Reply
1.	As per enumeration list, 1000 plants are proposed to be felled, the same needs to be uploaded in Part- II at column 4(ii). In addition, enumeration list was prepared in the year of 2020, now after 4 years girth size of the plants must have changed, the state Government is requested to revisit the project site & to submit the revised enumeration of the saplings.	During re-inspection of DFO, no difference was found in the species of tree and the girth of tree.
2	As per DSS observation, 5.30 ha area is available for plantation. The State Government is requested to submit revised KML along with demarcation of the exact proposed CA area for future monitoring purpose	Revise KML file & DGPS map has been uploaded on the proper link.
3	Land suitability certificate is uploaded for 8,666 plants whereas the proposed plantation is for 4090 plants, hence, revised land suitability certificate needs to be uploaded.	Revise land suitability certification has been uploaded on the proper link.
4	As per Google Earth of the CA site, certain non-forestry activity within CA area has been observed. The State Govt is requested to send clarification, how the CA site is free from all encumbrances.	As per report of DFO, there is no non forestry activities observed at the CA site.
5	Reasons for submitting reply after 4 yrs. of the EDS raised by this office, needs to be provided	The proposal was delayed due to not providing a copy of Administrative approval by User Agency.
6	The CA Scheme needs to be revised as per new norms approved by the PCCF&HoFF, Haryana	As per new norms CA scheme has been prepared and uploaded on the portal.
