VIOLATION REPORT

The Maharashtra State Electricity Transmission Company Limited (MSETCL), Government of Maharashtra Undertaking, has decided to take up construction of 220 kV Kalmeshwar-Warud Transmission Line for augmentation of the electricity grid network towards increasing demand of power in the Warud region.

The total length of the project stretch selected for construction of the line is 67.253 kms. Part of this line is passing through forest area of (1) Gut No. 74 of Village Pardi (Gotmare) 0.4375 Ha, (2) Gut No. 34 of Village Bordoh 0.0980 Ha, 3) Gut No. 48 of Village Pathar 0.1295 Ha, (4) Gut No. 6,7,16,21 of Village Bhajipani 1.1130 Ha, (5) Gut No. 126,116,89,70 of Village Dongargaon 1.9565 Ha, (6) Gut No. 63,28 Village of Salai Rithi 1.3195 Ha, (7) Gut No. 68,63 of Village Karla 0.4865 Ha from Katol Range and (8) Gut 88, 64 Village Tarabordi 0.4375 Ha from Kondhali Range of Nagpur Forest Division. The proposed line requires diversion of Total 6.0760 Ha in Nagpur Forest Division. Therefore the construction of this line requires forest clearance from Ministry of Environment Forest and Climate change (GOI).

The diversion of forest area has been limited to the minimum that satisfies the standards of Central Board of Irrigation and Power. As the project line is passing through the middle of the forest area, avoiding forest area is not possible. Alternatives has been examined and found that no better option is available.

Part of construction of this line is done for erection of towers and stringing at places on forest land and thereby violation of Forest Act from year 2014 to 2018.

The work in this reach is stopped and proposal for approval under Forest (Conservation) Act is submitted by the Project Authority.

As the proposal is for construction of transmission line and there is no suitable alternative for the same and project authority has submitted the proposal for obtaining approval from Government of India. Hence, it is required to process the proposal for diversion of Forest Land (Zudpi Jungle) under the provisions of Section 2 of Forest Conservation Act, 1980.

Report regarding violation of Forest (Conservation) Act, 1980 for consideration of the committee constituted under the Chairmanship of the Chief Secretary, vide Govt. of Maharashtra, Revenue and Forest Department G.R. No. FLD-1089/475/Part-2/P-10, dated 2nd December 1991

Proposal for diversion of 6.0760 ha. Forest Land for laying of 220 KV Kalmeshwar Substation to 220 KV Warud substation Transmission line in Nagpur District in the State of Maharashtra.(FP/MH/TRANS/38296/2019)

Comments of the Conservator of Forest (T) Nagpur Circle, Nagpur on the violation Report.

Proposal for diversion of 6.0760 ha. Forest Land for laying of 220 KV Kalmeshwar Substation to 220 KV Warud substation Transmission line in Nagpur District in the State of Maharashtra.(FP/MH/TRANS/38296/2019) had been received by this office and the remarks of this office is as follows;

- 1) The forest area where violation happened was originally recorded as Zudpi Jungle land which is proposed reserved forest (notified u/s 4 of IFA 1927).
- 2) The Project Authority has executed construction of 3 foundation & stringing at places on forest land on the survey no. 28, 63 of Salai Rithi & survey no. 21 of Bhajipani of Katol Taluka.
- 3) As the proposal is for construction of Transmission Line, connecting Kalmeshwar Substation to 220 KV Warud Substation, there is no suitable alternative for the same and project authority has submitted the proposal for obtaining approval from Government of India.
- 4) The violation may be condoned by charging NPV at 5 times of the NPV plus 12% simple interest till the deposit is made over the area of 6.0760 ha.
- 5) The following conditions may be imposed upon the Project authority.
 - a. Minimum distance between electrical conductor 3.9 meters, it exceeds the wingspan of the largest birds found in the area.
 - b. To avoid accidental collision of birds with power lines, suitable mitigation measures like bird diverts should be planned at suitable locations.

Subject: Warning letter regarding violation under FCA 1980 Act in r/o construction of
220 kV Kalmeshwar Warud Transmission line.

As per FCA1980, to carry out any construction activity in forest area, it is necessary to obtain permission from forest department. However, during construction of 220 KV EHV Kalmeshwar-Warud transmission line, it is observed that some of the tower foundations/errections was constructed in forest area without permission of forest department.
It is noticed that enough care has not been taken by you, to identify forest boundaries before carrying out any activity on forest area. This shows negligence on your part.

Therefore, you are hereby strictly warned not to do such act in future or otherwise strict action will be taken as per service regulations.

Subject: Proposal for Ex-post facto approval of the Central Government under section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 for Diversion of 6.0760 ha of reserved forest land for laying of 220 KV Kalmeshwar substation to 220 KV Warud substation transmission line in favour of MSETCL, EHV Project Division, Amravati in Taluka - Katol, District-Nagpur in the State of Maharashtra (Online No. FP/MH/TRANS/38296/2019) - regarding.

Madam/Sir,

I am directed to refer to the Government of Maharashtra letter No. FLD-2022/CR-309/F-10 dated 11.04.2025 (received in the Ministry on 28.04.2025) on the above mentioned subject, forwarding the point-wise compliance report of conditions stipulated in in-principle approval letter of even no. dated 20.03.2025 and to say that examination of same revealed following shortcomings:

- i. In compliance of condition No. (ii), the State Government has not submitted Action Taken Report in view of action initiated by the Regional Office, Nagpur under section 3A/3B of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 (as applicable).
- ii. In compliance of condition no. iv (a), the User Agency has deposited Rs. 58,19,471/- towards NPV. However, the proposed area for diversion is having Density 0.4 and Eco-Class III and NPV rates for the same is Rs. 12,28,590/- per ha as per revised rates. Therefore the user agency needs to deposit Rs. 74,64,912.84/- against NPV. However the user agency has deposited an amount of Rs. 58,19,471/- against NPV. Therefore the user agency needs to deposit the balance amount of Rs. 16,45,441.84/- towards NPV online in CAMPA account.
- iii. In compliance of condition no. iv (b), the User Agency has deposited Rs. 2,22,25,285/- towards Penal NPV. It is reported that violation covers an area of 4.641 ha, classified as Eco-Class III with a density of 0.4 and NPV rates for the same is Rs. 12,28,590 per ha as per revised rates. Therefore the user agency needs to deposit Rs. 28,509,430.95/-. However the user agency has deposited Rs. 2,22,25,285/- against Penal NPV. Therefore the user agency needs to deposit the balance amount of Rs. 6,284,145.95/- towards Penal

NPV online in CAMPA account.

- iv. In compliance of condition no. (xxiii), the user agency has not submitted the undertaking specific to the condition which needs submission.

Accordingly, it is requested to furnish the above mentioned information to this Ministry for further consideration of the proposal.

Yours sincerely,
