NO: 676/SEC/2M-10

Date: 03.03.2022

**Site Inspection Report:**

The site was jointly inspected by me with the Divisional Forest Officer, Durgapur Division and representative of Eastern Coalfields Limited (ECL) on 26.02.2022.

After modification ECL had applied for 38.38 ha of forest land by excluding the area of Beat Office, Staff Quarter Complex alongwith Safety/ Buffer Zone = 0.9 ha and Approach Road = 0.7 ha (Total = 1.6 ha).

As the project is an underground project and does not require felling of trees, is hereby recommended provided the safety and protective measures are ensured by the User Agency considering the importance of Green Cover and existence of Beat Office Unit / Government establishments. Approach road to the Tilaboni Beat should not be damaged or disturbed anyway so that right of way does not get hampered.
