To

Sri Prafulla Kumar Pati,
Ex-DGM (Elect.), EHT (Const.) Division, Angul

Sub:- Diversion of 10.906 Ha. of Forest Land for Construction of 132KV DC Line on DC tower from existing 132/33 KV Phulbani Grid Sub-Station in Kandhamal Dist. to 132/33 KV Grid Sub-station Boudh in Boudh Dist., Odisha – Submission of Show Cause regd.

Sir,

With reference to the subject cited above, during the course of Joint Site Inspection held on dt. 13.04.2023 by the Forest & Revenue officials, it was observed that the towers have been erected with transmission line in Revenue Forest kissam land proposed for diversion without prior approval of the competent authority. Hence, from the circumstantial evidence you have been found prima facie guilty in contravention of section (2) of Forest Conservator of Act, 1980.

The above violation attracts the provisions of Para 1.21 (i) (a) which states "a. *The diversion of forest land for non-forestry purposes without the prior approval of the competent authority in the State will be dealt under the provisions of Indian Forest Act 1927 and other State Acts dealing with the conservation of Forests by the State government concerned. The land in question will not be considered as diverted under FCA 1980 and the status of the land shall continue to be forest.*"

P.T.O

In view of the above, it is asked upon to show cause as to why legal action shall not be taken as per prevailing laws. Your reply should reach this office immediately for taking further course of action at this end.

Yours Sincerely,

Divisional Forest Officer
