Memorandum:

Kindly refer to Nodal Officer-cum-Apccf (FCA) O/o Pr.CCF(HoFF) HP Shimla office memo. No. Ft.48-3864/2018 (FCA) dated 13.07.2023 on the subject cited above.

The pointwise observations as raised vide above referred communication have been attended to by the DFO Nachan/User Agency is as follows:-

Sr. No.	Observation	Reply
1	Estimated cost of the proposed project mentioned against column No A-1(vii) does not seem correct and is likely to be reviewed and corrected. As for 17.260 Kms road, the estimated cost 6.5 lac has been mentioned.	The estimated cost of the proposed project mentioned against column No.A-1 (Vii) has been correct.
2	The KML file of the proposed road has showing the villages to be benefitted and dumping sites has been marked on Google earth but as per latest Gol instructions in the earlier submitted proposals, the villages to be benefitted from the proposed road, dumping sites and alternate alignments are also required to be marked on KML file.	The benefited villages are shown in the KML file of the proposed road Dumping and alternative alignments of proposed road have also been marked in the KML file as per the latest instruction of Government of India.
3	The separate enumeration lists of the trees coming in the dumping sites of the proposed road are also required to be given and placed in the proposal folder.	The Separate enumeration list of the trees coming in the dumping sites of the proposed road and same is uploaded on the online portal as additional information Part-II Sr. No. 8.
4	The scientific names of all the trees have not been mentioned against column No. 4 (ii) in online part-II. In online part-II, for some of the trees involved 'Others' has been mentioned. If the scientific name of all the trees involved is not appearing in the module, the scientific names of all the trees should be mentioned within brackets against the column of local name of the trees.	The scientific names of all the trees have been mentioned against column No. 4 (ii) in online part-II. And same is uploaded on the online portal as additional information Part-II Sr. No. 8.

5	Against column No.8 (iii), Whether the forest land proposed for diversion is located within eco-sensitive zone (ESZ) of the Protected Area notified under Wildlife (Protection) Act, 1972 (Note: In case, ESZ of a Protected Area is not notified, then, 10 kms distance from boundary of the Protected Area should be treated as ESZ): Yes has been mentioned whereas the Distance from Shikaridevi Wildlife Sanctuary and Eco sensitive zones has been shown as 2.5 km. It is clear that the proposed forest land is out side the boundary of protected area. Hence, 'No', is required to be mentioned against this column.	The aerial distance of diversion area (DPF Bakhryar-CI) from the nearest sanctuary i.e. Shikari Devi Wold Life Sanctuary/Eco-Sensitive Zones is about 2.3 Km. and same is uploaded on the online portal as additional information Part-II Sr. No. 8.
