Diversion of 2.0 ha Forest land under Forest (Conservation) Act, 1980 in favour of Superintendent of Police , Gadchiroli for construction of Administrative building and Residential Quarters of Arm Out Post at Village- Tadgaon Taluka -Bhamragarh , District-Gadchiroli in the State of Maharashtra Regarding.

Sr.No	Question	Answer
1	Mau. Tadgaon, Bhamragarh, Dist. S. in Gadchiroli. No. 56 and room no. 2.00 out of 575. The State Government has earlier approved the diversion for the construction of the administrative building of Forest Land Armed Police Remote Area vide Government Order dated 19.09.2018. On perusal of the present proposal, it is seen that construction of administrative building of Arm Out Post is included in the same clause. Is that proposal and the proposal submitted through reference letter different or how? Is it necessary to set up two Arm Out Posts on the same land if they are different?	For AOP Tadgaon for Arm Out Post Tadgaon for 2.00 hectare forest land in survey no 56 is proposed in the reference letter is not different but the same. The present proposal is for sanction of 2.00 hectares of additional forest land in Survey no 56 with only one Arm Out Post in one block. The entire Gadchiroli district is a Naxal-affected area, and a total of 42 Naxals have been killed in a fierce encounter between the Gadchiroli District Police and Naxals on April 2018 at Mauja Kasnasur, a relief center in Tandgaon area. Therefore, since additional CRPF and SRPF are being deployed in AOP Tadgaon by Government, the deployed jawans training building, accommodation, staff barracks and other security related constructions approved land in survey no. 56 as 2.00 hectares of land is insufficient, survey no. As 2.00 hectares of additional forest land out of 56 is appropriate and necessary, a proposal for approval of additional forest land has been submitted vide reference letter and the proposal is requested to be approved.
2	The land is not proposed for alternative afforestation. The Superintendent of Police has mentioned that non-forest land is not available. If non-forest land is not available at that place, non-forest land should be proposed with the help of Collectors of other districts.	CA details viz site specific CA scheme , suitability certificate, Dufferential GPS map and KML file has copy is being submitted .

COMPENSATORY AFFORESTATION AREA SUITABILITY CERTIFICATE

This is to certify that the identified de-graded Forests Land of 4.00 Ha. in Range Wadsa of Wadsa Forest Division, District Gadchiroli is suitable for Compensatory afforestation from management purpose also and it is free from encroachment and an encumbrances. Though satellite imagery shows greenery, it is due to widespread local weed called Kukutranzi (*Calycoiteris floribunda*). It has not economical value and it has badly affected growth of other valuable tree species. So this area should be converted into forest species. So to protect and convert this area into valuable forest, afforestation is needed in below mentioned sites.

Detail of proposed site is as follows.
