1	Component wise break up is not provided in online Part I.the component wise break up should include area marked for various component viz road muck disposal etc.	Component wise break up has been corrected in online at section B-2.4 in Form A Part I by user agency.
2	The village wise breakup is not clear as the details provided with the proposal of villages to be benefited are of 5 villagers but in village wise break up details furnished only two villages and the area of forest land is also not mentioned against these two villages, The State Govt may review the same and provide correct details for each villages in village wise breakup in online Part I.	Maniguh is the revenue village pachayat under which syal Dobha, Khalyon, Bandi, Gair, patala village are under the category of TOK online filled at section B-2.3 of form A Part I by User Agency.
3	As per the villages to be benefited by the proposal includes 5 villagers but the village level committee proceedings provide pertaining to only one village . the State Govt may review the same and clarify accordingly. if required provided the VLC proceedings for other villages also.	The actual beneficiaries are 5 TOK not the revenue villages. All the 5 TOKS comes under one revenue villages Maniguh So under the fRA act 2006 village level proceedings is conducted for revenue village Maniguh only mentioned by user agency.
4	The State Govt has provided/uploaded the scanned copy of Google map instead of GIS software generated geo referenced digital map without showing geo-coordinates to the exact scale of the proposed road at 200-300m including all turns. the Stat Govt may provide upload the correct clear map showing geo-coordinates at 200-300mtr interval along the alignment including all turning points and ensure the uploading of correct revised may in online part I.	The GIS software generated GEO referenced map had been update in C(-iv) of form A part I by User Agency .
