No:-WLW (N)/Estt/2022-23/ 103.
Dated: - 05 -05-2022

Subject: - EDS raised by Chief Conservator of Forests Nodal Officer (FCA) for the proposal "Diversion of forest land for construction of limber to Budrali road in North Wildlife Division" regarding uploading of specific recommendation letter as per format.

Reference:- Chief Conservator of forests Nodal Officer (FCA) Letter No. PCCF/FCA/3354/665-66, Dated: 02-05-2022

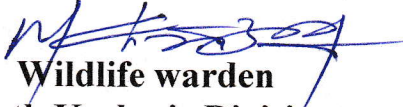

Sir,

Regarding the subject cited above, this office has prepared the new Specific recommendation as per format of Part II (Copy Enclosed). But this office is unable to upload the recommendation letter at the designated spot that is S.No. 16 of online part- II on parvesh portal.

It is as such requested to kindly take up the matter with Nodal Officer (FCA) for uploading the recommendation letter at designated place that is S. No. 16 and subsequently delete the old recommendation letter.

Hence submitted for favor of information and further necessary action please.

Yours Faithfully

Full Title of the Project: Macadamisation of Road from Limber to Budrali.

File No: FP/JK/ROAD/140864/2021

Date of Proposal: 28/09/2021

RECOMMENDATION LETTER

It is recommended that the forest land measuring 0.605 Hac in Compartment No. 18 of Range Baramulla of Limber Wildlife Sanctuary may be diverted to the User Agency for macadamisation of the road in Baramulla Range of District Baramulla for a period of 99 years.

People are residing in the village since times of Maharaja as well as before notification of the Limber Wildlife Sanctuary. There is no alternate option for connectivity to the Budrali village other than making the road motorable and operational. Further the rough road already exists there and need only macadamisation. The macadamization will not involve any type of damage to the flora. The user agency as well as public must follow Wildlife Protection Act 1972 and other Supreme Court Guidelines issued from time to time.
