Ref:- 1. GOI, MOEF & CC, R.O.Nagpur letter No FC-II/MH-164/2021-NGP/8355, dt.27/07/2021.

2. The Conservator of Forest (Territorial) Aurangabad Letter no.Desk- 5/Land/FCA/ ID-12876/CR-96/948, dt. 30/11/2021

Sir,

Ministry of Environment, Forest and Climate Change, Government of India, Regional Office, Nagpur vide letter under reference No.1 has sought compliance on 10 points. Accordingly, the Conservator of Forest (Territorial) Aurangabad vide letter under reference No.2 has submitted the compliance of shortcoming in this regard to this office. The compliance report as desired by Government of India vide letter dt. 27/07/2021 is submitted as under :-

Sr. No	Points	Compliance
1	Proposal has not yet been forwarded to Regional Office through online portal and is still pending at State Government level (online status as revealed on 22/7/2021 at 16.50 hrs.)	The proposal has now been forwarded to Regional Office through online MoEF&CC Web Portal.
2	Consolidated single KML file of entire road alignment under instant proposal. Dully highlighting proposed forest area for diversion has not been submitted. The same needs to be submitted.	Consolidated single KML file of entire road alignment under instant proposal. Dully highlighting proposed forest area for diversion is enclosed in C.D.'s. The copy of the same is enclosed herewith as (Annexure No.II)

3	Hard Copy of part-II is not uploaded properly in the parivesh portal. Instead of part-II, Site inspection Report of DCF, Nanded has been uploaded. The same shall be rectified and intimated to this office.	The Deputy Conservator of Forests, Nande has now been uploaded part-II on MoEF&CC Web Portal. The copy of the same is enclosed herewith as (Annexure No.III)																												
4	Singed copy of site inspection report is not uploaded by DCF, Nanded in parivesh portal. Signed copy of the same shall be uploaded and intimated to this office.	Singed copy of the Site Inspection Repot now been uploaded on MoEF&CC Web Portal. The copy of the same is enclosed herewith as (Annexure No.IV)																												
5	Date of submission is not mentioned in Part-IV submitted along with the proposal Revised Part-IV mentioning name of signing authority and date of submission shall be submitted.	Revised Part-IV mentioning name of signing authority and date of submission is enclosed herewith as (Annexure No.V)																												
6	Complete enumeration list of trees proposed to be felled in the proposal has not been submitted along with the proposal. Only abstract has been submitted. Girth wise complete enumeration list of trees along with species name shall be submitted.	Girth wise complete enumeration list of trees along with species name is enclosed herewith as (Annexure No.VI)																												
7	Details of existing new structures for safe movement of wildlife has not been submitted along with the proposal. The same needs to be submitted.	<p>As the movement of wildlife's are very rare around the alignment of proposed road. Hence no new structures are required for safe movements of wildlife. Already 05 slab culverts, 87 Hume pipe culverts, 19 minor bridges & 1 major bridge are existing in proposed road alignment, which are sufficient to cross the road for wildlife. The Details of structures are as follows.</p> <table><tr><th>Nature of Structures</th><th>No</th><th>Hight of structure in M.</th><th>Clear width</th></tr><tr><td colspan="4">A.Culverts</td></tr><tr><td>1.Slab culverts</td><td>05</td><td>2.5 to 3.00</td><td>10.00 M</td></tr><tr><td>2.Hume pipe culverts</td><td>87</td><td>0.9 M to 1.00</td><td>10.00 M</td></tr><tr><td colspan="4">B. 5. Working plan prescription for the forest land proposed for diversion : IWC

6. Brief note on vulnerability of the forest area to erosion : to some extent vulnerable for erosion

7. Approximate distance of the proposed site for diversion from boundary of forest(in km.) : 0

8. Significance of the forest land proposed for diversion from wildlife point of view :

- (i). Details of wildlife present in and around the forest land proposed for diversion : peacock, wild pig & black buck etc
- (ii). Whether forms part of national park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, wildlife migration corridor etc. : No
- (iii). Whether the forest land proposed for diversion is located within eco-sensitive zone(ESZ) of the Protected Area notified under Wildlife(Protection) Act, 1972 (Note: In case, ESZ of a Protected Area is not notified, then, 10kms distance from boundary of the Protected Area should be treated as ESZ): No
- (iv). Whether any national park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, wildlife migration corridor etc., is located within 1 Km. from boundary of the forest land proposed for diversion : No
- (v). Whether any rare/endangered/unique species of flora and fauna found in the area : No

9.

Details of any protected archaeological/heritage site/defence establishment or any other important monument located in the area, if any :

- (i). Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area : No

10. Comment as to the reasonability of the extent of the forest land proposed for diversion :

- (i). Whether the requirement of forest land as proposed by the user agency is unavoidable and bare minimum for the project : Yes

11. Details of violation(s), if any ,committed :

- (i). Whether any work in violation of the Act or guidelines issued under the Act has been carried out : Yes

(a)Details of violation(s): subgrade

(b) Period of Work done(year) : 2020

(c) Area of forest land involved in violation (in ha.) : 0.735

S. No.	Name of person responsible for violation	Designation & Address of person responsible for violation	Action taken against the person responsible for violation
1	Shakeel Tahasildar	project manager Nikhil Construction Pune	Notice issued to responsible officer regarding violation of FCA act
2	D D Kolekar	Resident Engineer c v Kand Consultant Pvt Ltd pune JV with Shrikhande Consultant Pvt Ltd Mumbai	Notice issued to responsible officer regarding violation of FCA act

12. Whether work in violation is still in progres(Yes/No) : No

13. Details of compensatory afforestation scheme :

(i). Patch wise details for Degraded Area (To be earmarked by DFO)

(i). Total Financial Outlay for C.A(lacs): 72.15

Patch Wise Details						
S.no	Patch No.	Area(ha.)	Name of PF/RF	Range	Compartment No	Uploaded KML file of patch
1	1	10.68	RF	Nanded	401 B 403 A	 View file

(ii). Copy of CA scheme details: 

(iii). Scanned copy of the Geo-referenced map of the forest land proposed for C.A. prepared by using DGPS or Total Station:

(iv). Copy of Survey of India Toposheet indicating boundary of forest land proposed for C.A.: 

Additional information Details :

S. No.	Documents	Remarks
1		

14. District Profile :

S.no	District Name	Geographical area of the district (in ha.)	Forest area of the district (in ha.)	Total forest area diverted since 1980 (in ha.)	No. of Approved Cases	Forest Land including penal C.A. (in ha.)	Progress of compensatory afforestation as on(date)	A) Forest land (in ha.)	B) Non-forest land (in ha.)
1	Nanded	1052000	130003.450	121.63	12	161.18	31/01/2021	161.18	2292.40

15. Site inspection report of the DFO/CCF/Nodal Officer highlighting important facts pertaining to the forest land :

Division Name	Circle	Site inspected By	Whether site inspected	No. of times site visited	Site inspection report	Date of visit
Nanded	Aurangabad	DFO	Yes	One		13/02/2021

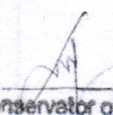

(Specific recommendation of the DFO/CCF/Nodal Officer with (Part II, III & Part IV))

16. Specific recommendation of the DFO/CCF/Nodal Officer for acceptance or otherwise of the proposal with reason :

Division	Circle	Recommendation By	Recommendation	Reason	Letter	Whether CF agreed
Nanded	Aurangabad	DFO	Recommended	The diversion of minimum forest land is recommended for the following reasons 1. Road proposed has been declared as National Highway connecting Nanded District of Maharashtra & Telangana state to create good connectivity between these two states. 2. This is being widening of existing road having 5.50 to 7.50 meter carriage width. Minimum forest is required which is unavoidable & no realignment is proposed in forest area. 3. Widening of road will improve socio economic status of Nanded & Bhokar tq. 4.		

				Most of the areas are along the project Road is agriculture belt. And thus it also will boost up agriculture growth in this area.

Nanded.

PART - II**(To be filled up by the concerned Deputy Conservator of Forests)**State serial No. of Proposal **FP/MH/ROAD/47068/2020**

1.	Location of the Project / Scheme	
i)	State / Union Territory	Maharashtra
ii)	District	Nanded
iii)	Forest Division	Nanded
iv)	Area of forest land proposed for diversion (in ha.)	5.34 ha.
v)	Legal status of forest land	Reserved Forests
vi)	Density of vegetation	Below 0.4
vii)	Species-wise (specific names) and diameter class-wise enumeration of trees (to be enclosed). In case of irrigation/ hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed.	Species-wise/diameter class-wise List of trees in stretch of road to be affected is enclosed on Page no (130+131)
viii)	Brief note on vulnerability of the forest area to erosion.	To some extent vulnerable for erosion.
ix)	Approximate distance of proposed site for diversion from boundary of forest.	This is being linear Project, some of the Stretches passes through Boundary of Reserve Forest.
x)	Whether forms part of National Park, Wild Life sanctuary, biosphere reserve, tiger reserve, elephant corridor etc (if so, the details of the area and comments of the Chief Wildlife Warden to be annexed)	No.
xi)	Whether any rare / endangered/ unique species of flora and fauna found in the area: if so details thereof.	Not Found
xii)	Whether any protected archeological / heritage site/ defense establishment or any other important monuments is located in the area; If so the details thereof with NOC from competent authority, if required.	Not located
2.	Whether the requirement of forest land as proposed by the user agency in Col-2 of Part - I is unavoidable and barest minimum for the project. If no, recommended area item wise with details of alternative examined.	
	Yes.	
3.	Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	
	Yes, details are enclosed on Page No. (98+99) Work in violation is not in progress. 1273	
4.	Details of compensatory afforestation scheme :-	
i)	Details of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.	Village - Wai-wardad Tanda, Area -10.68 Ha. Range - Nanded, Round -Mudkhed, Beat - Mudkhed, Sur No 117 Gut No 139. Compartment No. - 401 B. 403 A Located within forest boundary, No of Patches - 01

	ii)	Map showing non-forest / degraded forest area identified for compensatory afforestation and adjoining forest boundaries.	map attached on Page no (188+189)
	iii)	Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure etc.	Compensatory afforestation model no. 5 (Campa) is adopted, copy of detail estimate is enclosed on Page no. (16+172) Will be implemented by forest department. Time schedule of scheme will be of ten year.
	iv)	Total financial outlay, for compensatory afforestation scheme.	Total financial outlay Rs. (7215103.51/-)
	v)	Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view (To be signed by the concerned Deputy Conservator of Forests).	Certificates attached on Page no (162)
	5.	Site inspection report of the Deputy Conservator of Forest (to be enclosed) especially highlighting facts asked in Col-7 (xi, xii) 8 & 9 above.	Site inspection report is enclosed on Page no. (112+114)
6.	Division / District profile		Nanded
	i)	Geographical area of the District	1052000.00 ha.
	ii)	Forest area of the District.	130003.450 ha.
	iii)	Total forest area diverted since 1980 with number of cases	121.63 ha. / 12 cases.
	iv)	Total compensatory afforestation stipulated in the district/division since 1980 on	
		a] Forest land including penal compensatory afforestation	161.18 ha
		b] Non forest land	2292.40 ha
	v)	Progress of compensatory afforestation as on (date) on 31/01/2021	
		a] Forest land	161.18 ha
		b] Non Forest land	2292.40 ha
7.	Specific recommendation of the Deputy Conservator of Forest for acceptance or otherwise of the proposal with reasons.		<p>The diversion of minimum forest land is recommended for the following reasons</p> <ol style="list-style-type: none"> 1. The road proposed for diversion has been declared as National Highway connecting Barasgaon to Rahati in Nanded District to create good connectivity between Maharashtra & Telangana State. 2. This is being widening of existing road having 5.5 to 7.50 meter carriage width. only minimum forest is required which is unavoidable. No realignment is proposed in forest area. 3. Widening of road will improve socio-economic Status of Population in Nanded & Bhokar tq. 4. Most of the areas along this project road is agriculture belt. Thus this will boost up agriculture growth in this area.

		178/1	0.15	371 A	RF																																						
Total Area =			5.34																																								
b) Density and Eco-value class.	<p>Density:- Below 0.4</p> <p>EcoValue Class - III</p>																																										
Whether the requirement of forest land as proposed by the User Agency in col.2 of part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternative examined.	Yes.																																										
Whether the proposal involves any construction of building (including residential) or not? If yes, details thereof.	No																																										
a) Whether forest area proposed for diversion is important from wildlife point of view or not.	Moments of Peacock, Black buck, Wild Pig etc. are found in proposed area.																																										

b) Details of any rare or endangered or unique species of flora and fauna found in proposed forest land. If so, the details thereof.	No.
c) Aerial distance from the nearest boundary of any Protected Area (km).	No protected area is near by the proposed diversion land. Aerial distance is 42.50 km from the nearest boundary of Painganga wildlife Sanctuary.
d) Remarks about sensitivity of the forest area likely to be affected due to project.	Sensitivity of any type will not be affected
e) Whether wildlife mitigation plan is required? If yes, reasons therefore:	Yes, as road cuts the habitat of wildlife, following mitigation measures are suggested i) Two water holes for each patch (one on each site) and four patches, 08 water holes required. ii) Sign boards for wild life safety (reflecting speed limit and no horn zone ect. Above mitigation plan suggested will be implemented by user agency under the supervision of forest department.
Details of vegetation:	
a) Total number of trees to be felled:	273
b) Number of trees to be felled of girth below 60 cm:	199
c) Number of trees to be felled of girth above 60 cm:	74
d) Effect of removal of trees on the general eco-system in the area.	No Effect on eco-system
Background note on the proposal (short summary).	Rehabilitation & upgradation of Barasgaon to Rahatee Bu. (Mh/AP Border) Section of NH-222 In km 558/200 to 615/00 to two lane with paved shoulders On EPC mode under NHDP-IV in the State of Maharashtra. the exiting carriage width is 7.00 Mtr with black top. Proposed widening will required 30.00 meter for NH Standard and hence proposed for diversion.
Whether the proposal involves any violation of Forest (Conservation) Act 1980? If yes, a detailed report on violation including action taken against the concerned officials to be attached.	Yes, Detail reports about violation enclosed on page no (98 to 100)
Whether the proposal involves rehabilitation of displaced person. If yes, whether rehabilitation plan has been approved by the State Government?	No.
Details on catchment and culturable command area under the project (if applicable).	NA.
Status of catchment area treatment plan to prevent siltation of reservoir (if applicable).	NA.
Utility of the project.	The project will bring socio-economic development of Nanded District especially Nanded & Bhokar tq. & also improves agriculture and tourism activities. And also establish good connectivity between Maharashtra & telangana state.
Whether land being diverted has any socio-cultural/ religious values? Whether any scared grove or very old growth trees/forests exist in the areas proposed for diversion?	No.

Any other important information related to the project (Separate note may be attached, if required).	No.
Details of documents and photographs enclosed:	Geo tagged photo enclosed in the proposal. Page No. (115)
Recommendations of the Inspecting Officer	<p>The diversion of minimum forest land is recommended for the following reasons</p> <ol style="list-style-type: none"> 1. Road proposed has been declared as National Highway connecting Nanded District of Maharashtra & Telangana state to create good connectivity between these two states. 2. This is being widening of existing road having 5.50 to 7.50 meter carriage width. Minimum forest is required which is unavoidable & no realignment is proposed in forest area. 3. Widening of road will improve socio-economic status of Nanded & Bhokar tq. 4. Most of the areas are along the project Road is agriculture belt. And thus it also will boost up agriculture growth in this area.
