No. 21539 /9F (MG) – 27/2022
Dated, Bhubaneswar the 03rd November' 2023

From

Sri Susanta Nanda, IFS
Principal Chief Conservator of Forests
(Forest Diversion & Nodal Officer, FC Act)
O/o the PCCF & HoFF, Odisha, Bhubaneswar

To

The Deputy Inspector General of Forests (FC)
Government of India,
Ministry of Environment, Forests & Climate Change (F.C. Division)
Indira Paryavaran Bhawan, Aliganj, Jor Bagh Road
New Delhi-110003

Sub: - Proposal for seeking prior approval of the Central Government under Section 2(iii) of the Forest (Conservation Act), 1980 in favour of M/s Bhusan Power & Steel Limited for non-forestry use of 112.621 ha of Forest land (including 1.808 ha earmarked for Safety Zone) in village Baldihi under Koira Tahasil and Koira Range of Bonai Forest Division of Sundargarh District within the block area of 139.223 ha in respect of Netrabandha Pahar Iron Ore Block in Odisha State – Compliance to GoI observations regarding.

Ref: - F. No.8-31/2022 dated 14.08.2023 of Deputy Inspector General of Forests, Government of India, MoEF & CC (FC Division), New Delhi.

Sir,

In inviting a reference to the above mentioned subject, the compliance to the observations of Govt. of India vide letter under reference is furnished below:

Observation (i): Considering the present situation of mining in the area and rise in human elephant conflict, the compensation mechanism for the victims by the user agencies needs to be developed.

Compliance: The State Govt. of Odisha has revised the amount of compensation payment for different types of depredation vide Notification No.9128/FE&CC dated 03.05.2023 which is enclosed at **Annexure-I**. Further, to facilitate quick & hassle free payment, one online app i.e. "Anukampa" is in operation and direct payment to victims has been made. Further, the State Govt. vide Notification No.21763 dated 16.10.2023, the legal heir of deceased person was replaced by "Next of Kin" to facilitate easy, quick and instant payment in Wildlife depredation cases State Govt. has sufficient funds for this also. Hence, at this stage further, mechanism for compensation for victims by UA may not be required.

Observation (ii): The CSIR-NEERI has given its recommendation on carrying capacity vis-à-vis pollution in these areas and the Suggested Ore Transportation Mode (SOTM) in 2014. After lapse of about 9 years, many changes in the landscape and fresh mining in the region, the State Govt. shall examine and submit a detailed report with proper justification, whether there is a need to revalidate the said study or a need to carry a fresh study in this regard.

Compliance: As per recommendation of CSIR, NEERI on suggested sustainable Annual production in Odisha State on 2020-21 is 201 MT. Total Environmental Clearance capacity of 40 Mines (Joda-Koira Sector) is 155.519 MT whereas actual production was 48.087 MT (30.9%) which is much below than permitted dispatch. The Environmental Clearance capacity of 22 Iron Mines in (Joda-Barbil Sector) is 106.631 MT whereas production is 34.420 MT (32.3%) which is also much below than permitted dispatch. Thus, when suggested production will be achieved as per the report of NEERI on transportation ore as per recommendation, there might be a need to carry on fresh study.

In view of the above, the compliance to the observations of the Government of India, MoEF & CC, New Delhi is sent herewith for favour of kind information and necessary action.

Encl: **As above**

Yours faithfully

Principal Chief Conservator of Forests
(Forest Diversion and Nodal Officer, FC Act)

Memo No. **21540** / Dt. **03-11-2023**
