**ii) Updated report on the number and species of trees affected after reassessment of the reduced area (forest as well as non-forest area) recommended by the ICFRE for taking up mining activities.**

**Compliance:** - In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has informed that out of the reduced area of 405.26 ha. recommended by ICFRE, 205.654 ha of forest land and 61.01 ha of non-forest land is coming under Keonjhar Wildlife Division, Anandapur and 138. 596 ha of forest land is coming under Cuttack Forest Division. M/s OMC Ltd. vide letter No. 8906/OMC/F&E/2024 dt. 01.06.2024 requested Divisional Forest Officer, Keonjhar Wildlife Division, Anandapur to pass necessary instruction to carry out enumeration of trees standing on the recommended forest and non-forest area. Accordingly, the tree enumeration was conducted in the representative area of ten nos. of sample plots each in Rebana RF and Daitari PF to assess the number and species of trees which will likely to be affected due to mining in the reduced area recommended by ICFRE for mining and was extrapolated to the total area. The brief of the tree enumeration conducted is given as under:

Sl. No.	Name of the area	Area in Ha	No. of trees enumerated	No. of trees to be felled.
Division-Keonjhar Wildlife Division, Anandapur, District-Keonjhar				
1	Rebana RF	142.62	8266 (10 Sample plots)	58945
2	Rebana RF	59.254	0	0
3	Rakhita, Gramya Jungle	3.78	705	705
Sub-Total				59650
4	Non-forest land	61.01	10803	10803
Total (A)				70453
Division-Cuttack Forest Division, District-Jajpur				
5	Daitari Protected Forest	102.25	11247 (10 Sample plots)	57501
6	Daitari Protected Forest	36.346	0	0
Total (B)				57501
Grand Total (A+B)				127954

As per the above, 70453 nos. (approximately) of trees standing in area coming under Keonjhar Wildlife Division (59650 nos. (approximately) in forest land and 10803 nos. (approximately) in non-forest land) and 57501 nos. (approximately) of trees standing in area coming under in Cuttack Forest Division will be affected due to mining and ancillary activities.

The detailed updated report on the number and species of trees going to be affected considering the reduced area of 405.26 ha, recommended by ICFRE, duly signed Forest & Revenue Officials is enclosed as Annexure-II.

***iii) A considered opinion on impact of mining operations on 28 rare, endangered and threatened species found in the area and mitigation measures proposed for their conservation and protection.***

**Compliance:-** In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has informed that ICFRE vide F. No. 1-99/2019-ADG (EM)/IOM-DML (WL)-ICFRE/1101 dt. 15.07.2024 has submitted a suitable reply referring Chapter-7, Section 7.3.1.1 of their final report. The copy of the letter by ICFRE with enclosures is given as Annexure-III for kind perusal.

In the said letter, threat to 27 RET species (out of 28) has been suggested to be mitigated through in-situ conservation. One species named *Entadarheedei* has been suggested to be protected through *ex-situ* conservation and for this, a species-specific conservation plan is required to be prepared and implemented. Accordingly, for implementation of the project, the Divisional Forest Officer, Keonjhar(WL) Division has submitted a Scheme for AR plantation of 0.5Ha. degraded forest land in Daitari Extension area @ 1600 plants per Ha. with 20years maintenance with total financial outlay of Rs.16,23,800.00 (Rupees Sixteen Lakh Twenty-three Thousand Eight Hundred) only to this office. The scheme of **Rs.16,23,800.00 (Rupees Sixteen Lakh Twenty-three Thousand Eight Hundred) only** has been approved by the undersigned and sent herewith for taking necessary action at your end. Enclosed as Annexure – IV.

**iv) *Comments and recommendations of the Water Resource Department on the impact of the mining on the local hydrological regime in the and around the lease area on the proposed mining may be submitted by the State.***

**Compliance:-** In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has informed that the User Agency has submitted comments and recommendations of the Water Resource Department on the impact of the mining on the local hydrological regime in and around the lease area on the proposed mining (copy enclosed herewith as Annexure-V(A)) and an undertaking submitted by the User Agency to adhere the recommendations made by Water Resource Department is enclosed herewith as Annexure-V(B).

**v) *A summary of the total mining leases approved under the Adhiniyam vis-à-vis their approved peak capacity and production level actually achieved in general and in r/o OMC leases in particular. The State Government shall also submit its comments on opening of such a huge area having sensitive conservation issues vis-a-vis the target of production and estimated shortfall in coming years;***

**Compliance:-** In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has submitted a summary of total mining leases approved under the Adhiniyam with their approved peak capacity and production level actually achieved during FY 2024-25 of mining leases of OMC is enclosed as Annexure-VI.

Further, OMC vide letter No. 10642/OMC/F&E/2024 requested the Director of Mining & Geology, Department of Steel and Mines, Govt. of Odisha to share its comments on opening of such a huge area having sensitive conservation issues vis-a-vis the target of production and estimated shortfall in coming years to submit with MoEF&CC, Govt. of India to comply the condition. It is learnt that, Dept. of Steel and Mines, Govt. of Odisha has shared comments on the justification of using the reduced area within Daitari ML considering the conservation issues and production and estimated shortfall in coming years (copy enclosed herewith as Annexure-VII).

**vi) *The revised mining plan for reduced area recommended by the ICFRE in its report, may be provided by the State Government.***

**Compliance:-** In compliance to the observation, as intimated by M/s OMC Ltd, the Mining Plan (MP) approved by IBM vide letter No. BBS/JJP/ IRON/2197/MRMP/2022-23 dt 28.11.2022 over the ML area of 1018.3085 ha has been revised and approved vide letterNo. RMP-2308/2024-25-IBM\_RO\_BBS dt. 26.12.2024 considering the mine working till conceptual period confined to the revised area of 405.26 ha. as recommended by ICFRE out of the total ML area over 1018.3085 ha. The copy of the revised approved MP by IBM showing mine working within the reduced area recommended by ICFRE is enclosed herewith as Annexure-VIII.

**vii) The revised cost benefit analysis after accounting the EG & S being lost and net economic gains from project to be submitted by the State.**

**Compliance:-** In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has informed that basing on the request made by M/s OMC Ltd. vide letter No. 9960/OMC/ F&E/2024 dt 19.06.2024, ICFRE vide F. No. 1-99/2019-ADG (EM)/IOM-DML(WL)-ICFRE/1101 dt 15.07.2024 has submitted a suitable reply at Chapter-5, Table No.5.8 of the Final Report (Vol-I). ICFRE has also intimated that the EG&S losses in monetary terms have been given at Column-I of the Table 5.8. The copy of the letter by ICFRE along with enclosures are given at Annexure-IX for kind perusal.

**viii) The ICFRE has recommended mining over reduced area which was further suggested to be reduced by the Sub-Committee of AC. The State Government and user agency may comment on the economic feasibility of mining operations over reduced area.**

**Compliance:-** In compliance to the observation, the Divisional Forest Officer, Keonjhar(WL) Division has informed that comments on the economic feasibility of mining operation over reduced area are given at Annexure-X, as examined on the requirement of revised area of 405.26 ha. which is the bare necessity to continue mining at Daitari Iron Ore Mines.

Hence, the compliance report submitted by the Divisional Forest Officer, Keonjhar(WL) Division vide his memo no.3648, dt.25.07.2025 alongwith 02(Two) sets of supporting documents are sent herewith for taking necessary action at your end.
