Sir,

You are requested to refer to the above mentioned letter. The detail sought by you is furnished pointwise as under.

1. The proposal is related to only approach road and not for factory building construction.
2. The proposal involves diversion of only protected forest land i.e. road side plantation.
3. The factory was established in 2017 and application is made on Dt. 7/10/2015. Besides that there is no existing road so user agency has applied for approach road.
4. The land comes in the protected forest area so user agency has applied under FCA 1980. No approval under FCA 1980 has been obtained by user agency earlier.

As per the above details, The matter may please be considered for its approval under Section-2 of the Forest (Conservation) Act, 1980 and the same may please be communicated to this Government at the earliest.

Yours Faithfully,

  
(D.T. Vasavada)
