क्र.सं.	EDS	EDS Reply
1	Component-wise break-up of the forest land proposed for diversion has not been given ;	Component-wise breakup of forest land proposed for diversion has been submitted in Part-I at Serial No. B-2.4 by the user agency.
2	The Compensatory Afforestation scheme duly approved by the competent authority has not been submitted;	The Compensatory Afforestation scheme duly approved by the competent authority is submitted. Copy enclosed
3	The High resolution satellite imagery shows the presence of Agricultural land, ponds, built-up area and transmission line within the forest land proposed for diversion which needs clarification;	Point wise clarification is submitted as follows:- 1. User agency has given an undertaking that southern part of the forest land proposed for diversion is located near the water channel. Therefore, local people are using the small portion of that land during harvesting of their crops. Therefore, no legal complication is arising. 2. A small pond is located near the Kota-Bundi National Highway, which will be preserved as such by the user agency

		<p>and plantation shall be done around the pond area.</p> <p>3. Some scattered structures are located in the forest land proposed for diversion and they will be removed after consultation with the State Forest Department as per norms.</p> <p>4. High tension line is passing through the forest land proposed for diversion and user agency has discussed this with the PGCIL authorities.</p> <p>5. Power Grid Corporation of India Limited (POWERGRID) is ready to shift the transmission line.</p>
4	<p>As per DSS analysis, Mukundara Hills Tiger Reserve is located at a distance of 9.86 km from the forest land sought for diversion. The State Govt may therefore clarify the status of the proposed area vis-à-vis the Eco-sensitive zone around the tiger reserve. The map/kml file indicating the ESZ may also be submitted.</p>	<p>The mukundra Hills Tiger Reserve Eco-Sensitive Zone has been declared as 1 km.</p> <p>The proposed area therefore does not fall in the ESZ of Mukundara Hills Tiger Reserve Map enclosed.</p> <p>Copy enclosed</p>
5	<p>The State govt shall submit the comments of the Chief Wildlife Warden regarding the Project;</p>	<p>Comments of the Additional Principal Chief Conservator of Forests (W.L.) & Chief Wildlife Warden are enclosed.</p> <p>Copy enclosed</p>
6	<p>As per DSS analysis, plantation activities have been carried out in the past within the forest land applied for diversion. The same may be clarified.</p>	<p>Deputy Conservator of Forest, Bundi Division has informed that the details of plantations done within the forest land is included in the recommendation letter.</p> <p>Copy enclosed</p>
7	<p>As per forest compartment boundary available on DSS, it has been observed that 33.408 ha. NFL included in the instant proposal is within the said forest boundary. The state govt shall therefore re-ascertain the area proposed for diversion and take required action accordingly</p>	<p>User agency has submitted an undertaking stating that the total land requirement for construction of New Green Field Airport Kota is 500 ha. As per the land ownership of the proposed land 33.408 ha. land, belongs/legal status is Urban improvement trust (UIT), Kota.</p> <p>Ownership Documents enclosed.</p>

8 The CA patches namely DEVGARH, GANESHGANJ C and SALAWALIYA DANG certain pre-plantation operations like benching and contouring are visible. The same needs clarification.	Deputy Conservator of Forest, Bundi Division has informed that no plantations have been carried out in Devgarh, Ganeshganj C and Salawaliya Dang previously. The visible items are weeds of Vilayati Babool.
