2. The point-wise reply to the observations raised by Govt furnished by DFO Bilaspur is as under:-

Sr. No.	EDS/Observations	Reply to EDS
1	In reference to observation No. 2, the contradictory statements are being provided in both replies dated 07.02.2023 and 24.04.2023. Earlier it was submitted that ".....the CCF Concerned has submitted that the proposed CA land is in possession of Himachal Pradesh Forest Department. The copy of the Working Plan has been uploaded....". However, the copy of Working Plan was not uploaded by the State Govt. Hence, the query was raised again by this office. In reply to this, the State Govt. has now surprisingly stated that "... proposed CA land is "Charagah Villa Drakhatan" which comes under the definition of Protected Forest as per 1952 Notification which is not the part of working plan. Hence, the CA land in not mentioned in Working Plan Prescription..." Both these statements are contradictory. Therefore State Govt. may review and ensure the exact status of CA land properly, and accordingly submit the documentary proof in this regard.	Pertain to Suket Forest Division.
2	In reference to observation No. 5, all prescribed annexure including the records of consultations and meetings with Gram Sabha(s) and FRC(s) of all the concerned villages are not provided. Therefore, an undertaking to submit the same before stage-II approval may be provided.	The undertaking certificate has been uploaded by the user agency & also enclosed herewith.
3	In reference to observation No. 6, State Govt. has only submitted the abstract of trees but not provided the enumeration details of trees. Therefore, Khasra No. wise enumeration details of trees which is proposed for felling in Bilaspur Forest Division is required to be submitted/uploaded on PARIVESH portal.	Needful has been done.
