

कार्यालय प्रभागीय वनाधिकारी, कौशाम्बी वन प्रभाग, कौशाम्बी।

पत्रांक २१९६ / ५-४ कौशाम्बी, दिनांक मई १९, २०२३।

सेवा में,

वन सहायक/सेवीय निदेशक,
सहायक वन प्रभाग, प्रयागराज कृत्,
प्रयागराज।

विषय :- जनपद कौशाम्बी में राष्ट्रीय मार्ग लोक निर्माण विभाग द्वारा किमी 49.155 से 74.700 तक (सिंगरौर उपखंड से बरनपुर कादीपुर इंचौली) पर हाईवेड बाईक मोड पर कर रहे एनएच-731ए जिला कौशाम्बी में प्रस्तावित 4 लेन डीनकील्ड हाईवे के निर्माण में प्रभावित 15.461 हे० सरकारी वन भूमि के गैर-वाणिज्यी प्रयोग एवं बजाक 51 मुक्त के घातन की अनुमति के सम्बन्ध में।

संदर्भ:- मुख्य वन सहायक/नोडल अधिकारी, उद्गम लखनऊ का पत्रांक 3075/11-सी दिनांक 27.03.2023।

भावदीय,

उपरोक्त संदर्भित पत्र के क्रम अवगत कराया है कि प्रस्ताव में उठाई गयी आपत्तियों का निराकरण कर राष्ट्रीय मार्ग लोकोटि विभाग ने अपने पत्रांक 118/एनएच-731ए/पी०के०जी०-3 दिनांक 17.08.2023 द्वारा आदेश प्रेषित है। जो निम्न प्रकार है।

Sr. No	Query	Reply
1	It is not clear from the proposal that what the status of Widening is before and after proposal alignment. This needs clarification.	As per the objection raised, in this proposal existing road was constructed before 1980. So any detail of this road is not available. And some parts of existing road proposal for widening and bypass is also proposed along with the existing road.
2	As per kmf file some parts of road side PI are not demarcated and included as forest. This needs rectification.	As per the objection raised, as per kmf file some portion of the road is shown as PI but actually it is non forest land and there is no need to include it in this proposal.
3	Single SOI toposheet has been uploaded on Parivesh Portal. Adjacent 63G/h toposheet also needs to be uploaded.	Complete SOI toposheet has been uploaded on Parivesh Portal.
4	As per Google earth imageries dated 02.02.2022 partial plantation activity (old pits) are observed on the proposed CA land. Thus alternate area needs to be proposed for CA.	As per the office of Additional Principle Chief Conservator of Forest Letter No.276/12-42-2 (GIS), Lucknow, dated: 14.12.2022 on the proposed CA land as per the requisition portal total Open Forest (10-40%) is given 30.92 hcc. & after analysis the GIS area is 33.75 hcc., so scope for plantation still there. And required area for CA Plantation also available. So Proposed site completely suitable for CA plantation. And DSS analysis report has been attached with this Compliance.
5	Details of existing ROW, proposed and land width (ROW) availability of roadside plantation needs to be submitted and accordingly plantation scheme for roadside plantation needs to be submitted.	NH Division PWD Prayagraj hereby undertakes that the cost incurred in the additional Compensatory afforestation (CA) plantation on the remaining land will be submit by NH Division PWD Prayagraj and related documents will be attach with the proposal. Road Side CA scheme is attached.
6	NOC from concerned department needs to be submitted.	Forest land proposed for diversion is owned by NH Division PWD Prayagraj, therefore NOC from Concerned department is not applicable.
7	When the existing road was constructed Related documents needs to be submitted.	As per the objection raised, Existing road constructed before 1980 therefore, related documents are not available.

भवदीय,

(आर०एस० यादव)
