2. The point wise reply is given as under:-

Sr.	Observation	Reply
1.	A certificate has been provided regarding the population to be benefitted from the proposed project, however, the beneficiary villages are required to be marked on the KML file.	Revised KML file with village to be benefitted has been uploaded on the portal by the User Agency.
2	From the revised Layout Plan it can be observed that the back area not utilized in any components of the proposed building has not been reduced. The same is required to be reduced and accordingly diversion area may be revised to reduce the forest land involved.	Revised Layout Plan has been uploaded on the Parivesh Portal in Part -I at Sr. No. - 15 by the User agency.
3.	Boundary of the proposed diversion shown in the Layout Plan is not matching with the boundary shown in the KML file. Further, the boundary of the diversion area shall be exactly of the same shape as shown in the layout plan. Needful may be done regarding the same.	Revised layout plan & KML file has been uploaded on the portal by the User Agency.
4.	It is observed that no alternative site for the extant proposal has been explored. Therefore, the State Government must explore the alternative site along with tree enumeration and area details, etc, the same is required to be shown in the KML file and SOI toposheet. Necessary justification for accepting/rejecting site may be provided accordingly.	Justification for locating the project in forest area has been uploaded on the portal. Also, Map of alternate examined with revised KML File has been uploaded on the portal by the User Agency.

5.	The DFO concerned has submitted that the aerial distance of the proposed project from Chudhar WLS is approximately 8 KM. Since the ESZ of Chudhar WLS has been finally notified, the proposed project is within a 10 km. radius from the boundary of the WLS/default ESZ. Therefore, comments of CWLW may be provided in this regard.	DCF Chopal has submitted that the needful has been done and uploaded in the portal.
6.	It has been submitted by the State Govt. that a proposed building will be accessed through land bearing Khasra number 132 which is under the Possession of HPPWD. Therefore, NOC from HPPWD may be Provided in this regard.	The NOC has been uploaded by the user agency on the Parivesh Portal on Part – I at Sr. No. 17.
