

**GOVERNMENT OF ANDHRA PRADESH  
FOREST DEPARTMENT**

From  
Sri C. Venu Gopala Rao, SFS,  
Divisional Forest Officer,  
SPSR Nellore.

To  
The Conservator of Forests,  
Guntur Circle, Guntur

**Rc.No.144/2014/F11, Dt 26-4-2019.**

Sir,

Sub. APFD – F(C) Act, 1980 – Diversion of 0.0663 Ha of forest land for laying of new BSNL Optical Fiber Cable from Gudur to Podalakur via saidapuram RF in Nellore division–Submission of additional information – Reg.

Ref. 1. DFO Nellore Rc.No. 144/2014F11 dt. 28-2-2019  
2. CF, Guntur Rc.No. 2146/2018TO dt. 19-3-2019

**&&&**

In continuation of this office ref 1<sup>st</sup> cited and with reference to the ref 2<sup>nd</sup> cited, I submit the following additional information as called for in the ref 2<sup>nd</sup> cited.

It is submitted that, in field inspection notes vide P.No. 61 it was mentioned that, the species such as Prosopis juliflora, Fymnosporia Montana, Zyzyphus harnda, Carissa carandas, Casia auriculata etc. of bush growth are existing in adjacent areas. The OFC proposed is along the side of existing road and no trees are existing within the alignment. Small bushes which are not of tree size are existing here and there. Hence, the tree enumeration is shown as Nil.

As regards digging of trench and depositing the excavated soil on trench mounds, no tree will be effected since there is no tree growth in the proposed OFC within the width requested along the berm of the existing road and this will not disturb the existing species in adjacent RF area. The trench dug will be closed immediately after laying OFC and no mounds will be left and there will be no interruption for movement of vehicles. Hence, the seven booklets of section 2 proposals are submitted herewith.

**Encl:** 7 booklets

Yours faithfully,  
Sd/-C. Venu Gopala Rao,  
Divisional Forest Officer,  
SPSR Nellore.
