Sr. No.	EDS	EDS reply
1	Why has the vegetation category not changed to dense as observed by GoI?	The density of vegetation i.e. 0.1218 has been calculated as per the number of trees coming in the proposed project alignment and same has been mentioned online at Sr. No. 4(i) of Part- II. Accordingly, NPV bill has already been uploaded online in additional information of Part- II.
2.	Has the CA file been uploaded on e-green watch?	DFO Kullu has reported that for uploading the CA details on e-green watch, the FCA proposal is required to be registered on e-green Watch Portal for which Stage-II approval of the FCA case is mandatory. Since, in this FCA proposal, the stage-II approval is still pending, hence, CA details have not been uploaded on the e-green watch portal.
