Committee further decided that Regional Office will issue Stage-I approval only after State Government will upload the KML file of land identified for raising CA on online portal. The State Government is requested to upload the KML file of land identified for raising CA on online portal for further consideration of the proposal for approval under FCA,1980	1) The User Agency has uploaded the KML file of land identified for CA on online portal in Part I 2) Deputy Conservator of Forests Nandurbar Forest Division, Shahada certified that, usually there was a option for uploading of KML file of land identified for CA on online portal in Part II during recommendation. Now there is no option in Part II to upload KML. 3) Hence it is now provided in CD format.

In view of the above facts, it is requested that Government of India may kindly be moved to issue approval order under section – 2(ii) of the Forest (Conservation) Act, 1980, as early as possible.
