To:- CCF Rampur

Subject: - **Diversion of 98.1004 ha of forest land in favour of SJVN Ltd. For the construction of Luhri HEP Stage-1 (210MW), within the jurisdictionof Kotgarh, Rampur & Ani Forest Division in district Shimla and Kullu HP.**

Memo:

Kindly refer to your office endst. NO. .....Dated.....on the subject cited above.

The point wise reply of the obsercations raised by the Divisional Forest Officer(FCA) O/o APCCF(FCA) HP Shimla is as under:-

1. Errorneously one no of tree of Kakda class - has not been added online portal against which is now added against coloumn 4(i). Whereas the detail of sapling trees is mentioned on remarks coloumn.
2. Working plan prescription has now been uploaded on online part. II
3. Errorneously the distance of forest from the proposed site is typed 0 Km but the actual distance from the proposed site is 3 KM which has now been corrected in online part II.
4. There is no non forest land available with LHEP SJVNL Ltd. Bithal that can be provided for CA. In this connection, the necessary certificates of the concerned DC's are attached at page 485-487 on the proposal folder.
5. During the preparation of check List. Sr. No. 6, there was some calculation mistake in sum up of area and the same was conveyed to DC Kullu also. The area checklist Sr. No. 6 at page 26 -27 and at page 194 of the hard copy are the same (43.6950 hac.) and there is no difference in this area as pointed out in the EDS. But later on, mistake was corrected and now the area as shown in Part-I i.e. **43.2297 ha**. is correct.
6. The bill of NPV as placed at page No. 456-458 of the hard copy is a part of cost benefit analysis as a supporting documents for justification of the NPV rates as were required for various calculation. The cost benefit analysis is placed at Page No. 452-458, as already mentioned in the check list P -03 at Sr.No. 33 of the hard copy.

Divisional Forest Officer,
Ani Forest Divn. at Luhri.
