Sir,

Kindly refer to your office letter No. 8C/HP/05/27/2021/FC dated 22.11.2024 on the subject cited above.

2. In this regard, CF Nahan has reported that due to following reasons reply to EDS raised as pointed out vide above communication is given as under:-

1. Requirement of Comments from Chief Wildlife Wardens (CWLWs):

The comments from CWLWs of Uttarakhand and Haryana were necessary as per the observations of GoI dated 28.10.2022. Coordinating with CWLWs of two different States required significant time due to administrative processes and procedural complexities. The process required involvement and coordination across multiple States (Haryana, Uttarakhand and Himachal Pradesh). Such multi-state coordination inherently requires more time due to differences in administrative process and priorities.

2. Permission from Mining Department: Delay is also caused due to delay in inspections by mining Department and in getting District mining plan (DSR report). Moreover, the reply of the user agency has been uploaded in additional information against Sr. No. 34 of Part-I.

An early action in this matter is solicited please.

Yours faithfully,

Nodal Officer-cum-APCCF (FCA)
O/o Pr.CCF(HoFF), H.P. Shimla.
