

SITE INSPECTION REPORT

The site inspection of the proposed land was carried by the Undersigned on 02-09-2020 along with the representative of the User Agency and Range officer concerned (Gurez). The proposed site falls near Nyle village of Tehsil Gurez & as such no tree is involved in the proposed site. The area remains under heavy cover of Snow for a prolonged period ranging from 05 to 07 months. The site passes through Compartment 52/KG Kanzalwan Beat of Kanzalwan Block (Gurez Range). The composition of the crop in the proposed compartment is mostly Conifer with predominant specie of Fir. No any endangered species of flora & fauna are existing on the proposed site. No Archeological/Heritage site falls at the proposed site. The requirement of the forest land proposed by the User Agency is unavoidable & is having high importance from the point of view to accommodate the CISF personal downstream dam site areas of Gurez Valley. The diversion of forest land proposed is also inevitably required for the hassle free accommodation of CISF personal during the harsh winters.

Since the work has not been started as yet & there is no any question of any violation from the User agency & in no case will be allowed to take place while execution of the proposed work (Diversion of 0.9574 Ha for establishment unit for CISF downstream dam site Gurez).

SPECEFIC RECOMMENDATION FOR ACCEPTANCE OF THE PROPOSAL

The proposal for diversion of Forest Land **0.9574 Ha** on the left bank of Kishanganga River, downstream dam site of KGHEP Gurez falling in Comptt. 52/KG Gurez Range is required at downstream of dam site on left bank of KGHEP **(for setting up Security establishment for CISF Unit)**. This will help the User agency to provide better accommodation to the CISF personal on the proposed site. The area remains under cover of heavy snow for a period of 5 to 7 months and the movement of the CISF and office staff gets restricted.

As such the proposed site/land needs to be cleared for necessary accommodation at downstream of dam site on left bank of KGHEP.
