Proposal No:-FP/TR/RAIL/25854/2017.

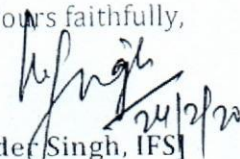

Sir,

With reference to the above mention subject, I would like to state that site inspection of 0.6366 ha. of Forest land proposed for diversion for construction of road was carried out by DFO,Gomati, representative of user agency, revenue officials and working plan Surveyer on 16/11/2019 (copy enclosed). During site inspection it was observed that the road required for the purpose is already existing in the field. At one location (CS plot No.5731, Khatian No-2/172, Mouja-Paschim Mogpuskurani, Land Status-Chandrapur RF) user agency had shown a different site during verification i.e GPS reading 23°27'27.69"N and 91°29'28.83" E than what has been applied as per map/shape file. The user agency was also communicated to submit clarification on the matter vide letter No.F.6-6/land /0.6366ha./Dist.FO (G)/For-2019/11447-448 dated, 06/01/2020 (Copy enclosed). However no reply has been submitted by the user agency to this office. From the map submitted by user agency and satellite image over period of time and also as per verification, it is seen that work is violation of Forest Conservation Act, 1980 has been carried out by the user agency. The Geo tagged photograph and land details of site inspection done is enclosed herewith for your reference.

This is for favour of your kind information & doing the needful please.
