Sir,

On the above captioned subject and reference, the point wise reply to the EDS raised by the Chief Conservator of Forests (Nodal Officer), FCA is given as under:-

S. No.	EDS raised	Reply
1	Correction of component-wise breakup of forest land at B 2.4 of Part-1 to be submitted. It should match with the area mentioned under diversion proposal i.e. 1.24 ha. For forest and 1.16 ha. Non-forest land.	The said correction has been made by the User agency.
2	Administrative approval along with the covering letter from competent authority to be submitted.	The same has been uploaded by the user agency under menu option "Additional Information Details" in (Form-A) Part-I on PARIVESH portal.
3	Correction of No. of trees to be felled in CA scheme as per Part-II column 4 (ii).	After scrutiny, it has been found out that the No. of trees mentioned in Part-II column 4 (ii) i.e. 25 No's is correct. However due to clerical error, the No. of trees mentioned in C.A. Plan had been wrongly entered as 31 No instead of 25. Therefore, the necessary rectification has been made in the C.A. Plan.

Hence submitted for favour of information and necessary action please.

Yours faithfully
