## Site Inspection Report

Date - 21.01.2022

**Forest Diversion Proposal No. (under FCA, 1980) :- PF/JH/ROAD/123042/2021**

A Proposal has been received by this office from Executive Engineer, NH Division, Medininagar for diversion of 0.1404 Ha. of forest land for non-forestry purpose. The subject envisages the use of forest land for the improvement of the geometry (increase in the curvature radius) of the existing road (NH-343) to avoid the accidents (which have been reported in the past). The site inspection of the land involved in the proposal has been done by me along with the representative of the User Agency on 21.01.2022. On inspection of the site, it is found that the land required by the User Agency is a forest land measuring 0.1404 Ha. The requirement of forest land for the instant project is unavoidable and is barest minimum requirement. There is no rare/endangered/unique species of flora and fauna found in the area. There is no protected archaeological/heritage site/defense establishment or any other important monument is located in the proposed area. The User Agency has neither started the work at proposed site nor has violated the provisions of the FCA, 1980.
