2. The point-wise reply/information to the shortcomings as furnished by DFO Bilaspur is as under:-

Sr. No.	EDS/Observations	Reply to EDS
1	The State Government shall provide details of action taken against the violations as per provision mentioned in consolidated guidelines and clarifications issued under Van(Sanrakshan Evam Samvardhan)Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan)Rules, 2023.	As per note on violation submitted by user agency which is placed in proposal folder at page-88, this path/track is constructed by the local people/local authorities about 22 years back with a formation width of 2.00 to 2.50 meters. As such there is no record available in his office about the action taken against the violators. However, as per Para 1.21 (ii), bill on account of penal NPV has already been raised and placed in proposal folders. Hence, at this later stage it is not possible to take action under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023.
2	The State Government shall submit a detailed status report to the Regional Office in case of 2183 road projects for which directions have been passed by Hon'ble High Court of Himachal Pradesh including the detail of proposals already approved under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and the balance cases that are yet to be processed. The decision in such type of cases shall be taken holistically by Regional Office and forward the same to the Ministry along with its comments/recommendations.	The user agency has intimated that the road is appearing in the list of 2183 roads proposals constructed in violation of FCA, 1980 and as the same has been depicting as serial No. 137. This road has been already constructed by the local people as jeep able standard road to provide access to villagers for safety consideration as the area is hilly terrain. This road was not constructed by the HPPWD, hence the proposal for connecting the villagers of Village Khal & Makri initiated to regularize the already constructed jeeb able road and further construction of the motor able road to provide bus/Transport facility to the villagers.
