TAWA-II underground mines the total area required for mining comes to 520 ha. The proposed land use is as follows:

Type of Land	Area (in Ha.)
Forest Land	396.279
Govt Land	54.546
Tenancy Land	69.265
Land in Mine Lease hold Area	520.00
Forest land for Powerline	3.75
Total	523.75

The total surface right is 12.708 and 3.75 issued by MoEF&CC. The TAWA-II (U/G) has approval for 195.2 ha/3.75 on 22.1.1999 itself which includes 12.708 ha meant for surface rights.

The area distribution is given in the map enclosed with this report.

EC for TAWA-II (U/G)

The original EC was issued by MoEF&CC vide letter No. J-11015/53/96-IA.II(M), on 14.12.1998. The permitted capacity was 0.18 MTPA. In 2006 vide letter No. J-11015/53/2006-IA.II(M) dated 2.8.2006 MoEF has revised the production to 0.6 MTPA. The six monthly compliance report on EC is available from 29.9.1999. Subsequent compliance from 2006 onwards is available.

After going through different compliance reports, SIR of the area by former DCF of this office, the inspecting officers did not come across any evidence that user agency has committed any violation of FCA, 1980 as well as IFA, 1927.

The area aspect, it is found that the total forest area is 396.279 (excluding the surface rights). The area proposed in the relevant case of diversion is 201.079 ha.

The reply is submitted for further consideration.

Subj: Underground mining rights of Western Coal Fields Ltd. in Pathakhery area over an extent of 1349.248 ha. of forest land.

Sir,

I am directed to refer to your letter No. F-5/22/91/10/3 dated 13.6.91 on the above mentioned subject seeking prior approval of the Central Government in accordance with Section-2 of the Forest (Conservation) Act, 1980.

After careful consideration of the proposal of the State Government, the Central Government, hereby, conveys its approval under Section-2 of the Forest (Conservation) Act for underground mining rights of Western Coal Fields Ltd. in Pathakhery area over an extent of 1349.248 ha. of forest land, subject to fulfilment of following conditions:-

- (i) The legal status of forest land will remain unchanged.
- (ii) Penal afforestation will be raised over equivalent degraded forest land at the cost of user agency.
- (iii) Time targetted programme for subsidence management (based on predicted subsidence) in the underground mining area may be given and implemented.
- (iv) The environmental quality parameters may be monitored in the mine lease and adequate control measures taken up so that the quality parameters are within the standards stipulated. Six monthly report on the above may be submitted to Ministry's Regional Office.

Contd..2/p...

- (v) The user agency will adhere to the stipulations of environmental clearance accorded in 1983.
- (vi) In the event of any subsidence, the user agency will pay the compensation for damage as per norms of the State Govt. and also transfer equivalent non-forest land and funds for compensatory afforestation over the same to the State Forest Department.
- (vii) Lease period shall be coterminous with lease under the MMRD Act subject to a maximum of 30 years.
- (viii) The forest land shall not be used for any purpose other than that specified in the proposal.
- (ix) Any other condition that the State Government may impose from time to time in the interest of afforestation and protection of forests.

Yours faithfully,

Sub: Diversion of 42.00 ha. forest land for Shobhapur underground coal mining project
in favour of M/s WCL, Distt. Betul.

Sir,
I am directed to refer to your letter No.F-5/49/10/3/2000 dt. 13.9.2000 on the above mentioned subject seeking prior approval of the Central Government in accordance with Section 2 of the Forest (Conservation) Act, 1980 and to say that the proposal has been examined by the Advisory Committee constituted by the Central Government under Section 3 of the aforesaid Act.

2 After careful consideration of the proposal of the State Government and on the basis of the recommendation of the above mentioned Advisory Committee, the Central Government hereby conveys its approval under Section 2 of the Forest (Conservation) Act, 1980 for diversion of 42.00 ha. forest land for Shobhapur underground coal mining project in favour of M/s WCL, Distt. Betul subject to following conditions:

- a. Legal status of forest land shall remain unchanged.
- b. The forest land shall not be used for any purpose other than that specified in the proposal.
- c. The user agency will abide by the various mitigatory measures including specific technical prescriptions for mining of various seams as suggested by M/s Indian School of Mines in their report so as to minimize the subsidence. The user agency will get these safeguards periodically monitored through independent agency like ISM, Dhanbad/CMRI, Dhanbad and submit the report to the Ministry and its concerned Regional Office.

However, in the event of subsidence beyond permissible limits, the user agency will pay for the damage and provide equivalent non-forest land alongwith funds for compensatory afforestation for the same to the State Forest Department within six months of its occurrence.

- d. The user agency will protect the 42.00 hectare forest area by erecting a stonewall fencing on the surface and carry out gap planting wherever required in consultation

- with the Forest Department. All works will be carried out by the user agency themselves at their own cost within a reasonable period of time-say 3 years
- c. The approval under the Forest (Conservation) Act, 1980 is subject to the clearance under the Environmental Protection Act, 1986
 - f. The water used for processing shall be discharged only after proper treatment
 - g. The user agency will make arrangement for free supply of coal to labourers and staff working on the project site so as to avoid any pressure on the adjacent forest areas
 - h. The period of permission for lease under the Forest (Conservation) Act, 1980 will be for 30 years
 - i. Any other condition that the State Govt. or the Chief Conservator of Forests (Central), Regional Office, Bhopal may impose from time to time in the interest of conservation, protection or development of forests.
